One way we can help each other get through these challenging times is to keep our dollars local. Here are three good reasons.

Reason #1: Shopping locally saves you gas and money and helps keep your vehicle.

Reason #2: When you spend your money locally, you support the businesses whose local taxes pay for our municipal/country expenses.

Reason #3: Many of our youth programs are supported and sponsored by local businesses and if we don’t support them, they can’t support our kids.

SHOP LOCALLY AND SAVE BIG!
