One way we can help each other get through these challenging times is to keep our dollars local. Here are three good reasons.

**Reason #1:** Shopping locally saves you gas and wear and tear on your vehicle.

**Reason #2:** When you spend your money locally, you support the businesses whose property taxes pay for our municipal services.

**Reason #3:** Many of our youth programs are supported and sponsored by local businesses and if we don't support them, they can't support our kids.
