## From the Family of Earl W. Ackerman

We would like to thank all of our friends and family who have supported us during this difficult time. We especially want to thank everyone who attended the visitation and/or funeral service. The turnout was a testament to who our father was and to how many lives he touched. Please know that our prayers, cards, phone calls, visits, flowers, memorial gifts, and donations of food were greatly appreciated. A special thank you to Pastor John Tilstra for returning to Baileyville and for his message during the funeral service. You really knew Dad and your kind words touched us all. Thank you to Pastor Bruce Otto and the Baileyville Reformed Church family for your visits, and cards sent to Dad this last few years. It really meant so much to him to be remembered by all of you. Thank you also for the wonderful luncheon. A very special thank you to all of his wonderful neighbors for visiting with Dad as he drove the neighborhood, taking time from your day to visit with him is something we will never forget. May God bless you all.

## SHARING CELEBRATIONS

The car crash could have taken their lives. But through the helicopter flights, multiple surgeries and intensive rehabilitation, Phil and Barb Johnson's determination could not be taken. Just 10 months later, Phil and Barb threw a party in celebration of ditching their walkers and canes. Phil never doubted their outcomes would be good, because their care teams never doubted. "I think you can grab onto your doctor's confidence. That shared belief we could persevere really made the difference."

One way we  
can help each  
other get  
through these  
challenging  
times is to keep  
our dollars local.  
Here are three  
good reasons.

**Reason #1:** Shopping locally saves you gas and wear and tear on your vehicle.

**Reason #2:** When you spend your money locally, you support the businesses whose property taxes pay for our municipal services.

**Reason #3:** Many of our youth programs are supported and sponsored by local businesses and if we don't support them, they can't support our kids.
