# “Gone Fishing” Surgery.

“Having my hip replaced was the  
difference between going on the  
family fishing trip or just hearing  
about the family fishing trip.”

Ron Mitchell, Pecatonica, IL

Unable to get in and out of the boat with confidence, Ron's chronic hip pain put a snag in his annual fishing trip plans. Ron turned to the orthopedic team at Monroe Clinic for a hip replacement.

The team provided Ron with a pre-surgery exercise plan and education to ensure quick recovery. After surgery, Ron was up and moving the same day. Walking the block in a few weeks. And ready for his next fishing adventure in no time.

To learn more about the team, technology and performance results visit [monroeclinic.org/ortho](http://monroeclinic.org/ortho)
