Lena-Winslow shows athletic prowess with a pair of Iowa recruits

Trenten Scheidegger
CORRESPONDENT

Over the course of the 2018-2019 school year, the Lena-Winslow athletes have had a few impressive verbal commitments to attend some of the nation's top colleges to continue their sports careers. The first came from well known, powerhouse athlete Isaiah Bruce. Bruce has been one of the area's top football players over the course of his career, and near the end of his junior season his hard work paid off. In November 2018, Bruce was able to make a verbal commitment to attend the University of Iowa, where he will play football for the Hawkeyes.

Although Bruce looks like one of the biggest guys on the field during his high school games, he will come in a bit undersized when he joins Iowa's squad. Despite being just six foot, one inch tall, the Hawkeyes are more than confident in what the three-star recruit will bring to the table. Let us not forget, Bruce still has another year of growing left to do as a Panther. Although Bruce took a break from basketball last season, he has been a life-long three sport athlete, and has shown the ability to dominate in all three of his sports (football, basketball, and track).

There is an early belief that Bruce will be lining up on the defensive line, as Iowa has shown an impressive history at making shorter defensive tackles succeed. As dominant as Bruce is on the defensive line, we have seen his abilities on the offensive side of the ball as well. Bruce was nearly unstoppable when he lined up at tight end for the Panthers in 2018, and could be even more impressive when he returns for his senior season. Overall, Bruce is an absolute powerhouse in every sport he takes part in, whether he's tackling ball carriers in the backfield, placing seventh in the state track competitions as just a sophomore, or running on the 4x200 team that came in second, the Hawkeyes got themselves

a hardworking, speedy athlete for the class of 2020. Bruce has received interest from many of the top schools in the Midwest, including a recent offer from Northwestern, but it appears he is set on attending the University of Iowa. Bruce is familiar with the area, as his older brother Tevin recently graduated from the school.

More recently, the Hawkeyes picked up their second recruit of the year in soon to be junior Gennings Dunker. Dunker was one of the area's stop offensive lineman as just a sophomore and stands at an impressive six foot, five inches tall, and still growing. He was six foot one during his freshman year.

Dunker attended a football camp at the University of Iowa earlier this spring, and immediately committed after being offered a scholarship from the staff. Born in Des Moines, IA, and growing up as a Hawkeyes fan, Dunker's dream has been to play for the Hawkeyes and he will get to make that dream come true when he joins as a class of 2021 recruit to play on the offensive line.

Dunker is another three-sport athlete, showing hard work and the ability to run despite his large size, as he dominates the line in football, is excellent on the mat in wrestling, and shows his surprising speed on the track in spring time. Iowa often goes after guys with great size and athletic ability, and Dunker fits that description to a T.

It says a lot about the Lena-Winslow football team to be sending not one, but two athletes from class 1A to an FBS school. While it is exciting to think about watching these two teammates compete together at the next level, I strongly recommend keeping an eye on them as they play together this season. The two will look to dominate the field and lead the team to another successful season as they go after a State championship one last time together.

FROM LENA'S KITCHEN

The not so skinny cook

This week's recipes are for hot weather because summer has finally arrived. The Fourth of July has come and gone, but the fair is this week. To me the fair has always been synonymous with summer; I think the weather is supposed to be a little cooler, but I am sure we are still in for some summer scorches. Enjoy these easy summer recipes.

This week's recipes start out with an onion dip. Vidalia onions are in the stores now; I like the taste of the sweet onion. I am not sure that Vidalia's are any better than other sweet onions, but they have the patent on the name because of where they are grown in Georgia. The cooking of the onions for a long time to get them nice and soft where they almost melt away adds to the taste of this dip. It is great with vegetables but even better with great potato chips like Mrs. Mike's.

Slow Cooker Vidalia Onion Dip

8 C. peeled and chopped sweet onions
2 T. apple cider vinegar
2 T. unsalted butter
½ t. salt
½ t. pepper
1 pkg. (8 oz.) cream cheese, cut into cubes
1 C. baby Swiss cheese, shredded
1 C. white cheddar cheese, shredded

2 T. chopped fresh chives plus more for topping

Combine onions, vinegar, butter, salt and pepper in a 3 to 4 quart slow cooker coated with cooking spray. Cover and cook on LOW until onions are golden and soft, about 6 hours. Drain and discard liquid from onions; return onions to slow cooker.

Stir in cream cheese, both cheeses, and chives; cook, covered on LOW until melted, stirring occasionally, about 20 minutes. Top with additional chopped chives.

We have a little theme going here with the spinach in the next two recipes. The first is just a nice spinach salad that you can use as a side for the macaroni skillet meal. It has sesame seeds for a little crunch and great dressing using red wine vinegar.

Strawberry Spinach Salad

2 T. sesame seeds
3 C. fresh spinach, chopped

1/3 C. canola oil
1/3 C. red wine vinegar
1 T. sugar
2 t. minced green onion
½ t. paprika
¼ t. Worcestershire sauce
2 C. fresh strawberries, washed, hulled and halved

In a skillet over medium heat, stir sesame seeds until golden; set aside. Wash spinach thoroughly; dry on paper towels and tear into bite-size pieces. Wrap and chill. Blend oil, vinegar, sugar, onion, paprika, and Worcestershire sauce. In a large glass bowl, mix together spinach, strawberries, dressing and seeds.

This chicken salad is really good with the chicken, grapes, snow peas, and spinach. The pasta makes it hearty enough to serve as a lunch or a dinner meal. The dressing uses white wine vinegar and a little lemon for a fresh flavor. Enjoy this chicken salad with a crusty roll, and you have a light summer meal.

Spinach Chicken Salad

5 C. cubed cooked chicken (about 3 whole breasts)
2 C. green grape halves
1 C. snow peas
2 C. packed torn spinach
2½ C. sliced celery
7 oz. spiral pasta or elbow macaroni, cooked and drained

1 jar (6 oz.) marinated artichoke hearts, drained and quartered
½ large cucumber, sliced
3 green onions with tops
Orange slices optional
Dressing:

½ C. canola oil
¼ C. sugar
2 T. white wine vinegar
1 t. salt
½ t. dried minced onion
1 t. lemon juice
2 T. minced fresh parsley

In a large bowl, combine the chicken, grapes, peas, spinach, celery, pasta, artichoke hearts, cucumber and green onion. Cover and refrigerate.

In a small bowl, whisk the dressing ingredients. Cover and refrigerate.

Just before serving, whisk dressing and pour over salad; toss to coat. Garnish with orange slices

My mother used to make her goulash much like this recipe. I like it because you don't have to heat up the oven to make it, and it is a quick way to get dinner on the table. Mom used to sauté in a little oil finely chopped celery for a little zip. If you are a garlic lover, you could mince a garlic clove and add it to the onion and celery before browning the ground beef. The pasta really does cook up when adding it dry to the mixture. I like a little cheese sprinkled on mine. Serve it with crusty bread and a salad.

Skillet Beef and Macaroni

1 ½ lbs. ground beef
½ C. chopped onion
2 cans (8 oz. each) tomato sauce
1 C. water
1 pkg. (7 oz.) macaroni
½ C. chopped green pepper
2 T. Worcestershire sauce
1 t. salt
¼ t. pepper

In a large skillet over medium-high heat, cook beef and onion until meat is no longer pink; drain. Stir in remaining ingredients; bring to a boil. Reduce heat and simmer, covered until macaroni is tender, stirring occasionally, 20 to 25 minutes. Add more water or extra tomato juice if macaroni has soaked all of the liquid. Sprinkle with shredded cheddar on individual servings if desired.

This delicious frozen pie is a good one for a summer dessert. I like the Keebler crusts for graham cracker pie crusts. I also think their shortbread crusts and chocolate cookie crusts are good too. The recipe calls for the berries to be macerated. That simply means to let them stand in the sugar until there is juice on the fruit. Enjoy this cool and refreshing pie. You do have to plan ahead because it

needs to freeze for at least four hours. I also put my bowl and beaters in the freezer before whipping the cream.

Frozen Strawberry Lemonade Pie

1 prepared graham cracker crust
Filling:
1 C. chopped strawberries
½ C. raspberries
¼ C. sugar
1 T. water
4 oz. cream cheese, at room temperature

¾ C. sweetened condensed milk
1 T. finely grated lemon zest plus ½ C. fresh lemon juice from 2 to 3 lemons

1 C. cold heavy cream
Topping:
3 T. strawberry jelly
1 C. strawberries, halved

Bring the strawberries, sugar and water to a boil in a small saucepan over medium-high heat. Reduce the heat and simmer until liquid is syrupy and the fruit is very soft, 4 to 5 minutes. Strain through a fine mesh sieve, pressing gently on the solids with a rubber spatula; discard the solids. Let the syrup cool.

Beat the softened cream cheese in a large bowl with a mixer on medium-high speed until smooth and creamy, about 30 seconds. Add the condensed milk and beat until smooth. Add the berry syrup and the lemon zest as well as the juice and beat until smooth.

In a separate bowl, beat the heavy cream with clean beaters until medium peaks form. Gently fold the whipped cream into the cream cheese mixture using a rubber spatula until no streaks remain. Spoon the filling into the crust and spread with the back of a spoon. Cover with plastic wrap and freeze until firm, at least 4 hours.

About 10 minutes before serving remove the pie from the freezer to soften slightly. Make the topping: Microwave the jelly in a medium bowl until runny, 20 to 30 seconds. Whisk until smooth. Add the strawberries and gently stir to coat. Let macerate 10 to 15 minutes. Top with strawberry mixture and cut into pieces.

This dessert is a beautiful dessert in a Truffle bowl. If you don't have a truffle bowl, you can make it in a clear glass bowl also. The pound cake is delicious and you only use ½ of the cake for this dessert. You can freeze the other half and pull it

Lena United Methodist Church

From the Pastor's Desk: Lazy days of summer? Not hardly! This month there will be lots of fun summer church happenings with Lena UMC! The evenings of July 15-18 our church will be joining with Good Shepherd Church of Lena and Beloved Church to host an exciting Mason Street Vacation Bible School with the theme "Friendship: A Love that Never Ends." We'll learn together the stories of Abraham, Ruth, Zaccheus, and Jesus. Hopefully this year's closing pool party will not get rained out and many joyful shouts of praise will be lifted by splashing VBS participants!

On Sunday mornings we will be exploring the "Unraveled" worship series from A Sanctified Art. We

will study Biblical stories of life falling apart or unraveling and see God working evening through those times of uncertainty, slowly weaving things together into a new tapestry. We'll have multiple ways of engaging with this theme and the stories throughout the series.

On nice days, keep your eye out for me around town. I'll be taking my office hours" outside to random locations. If you spot me, stop by for a chat, I even have treats! If you are on Face Book, check our church page where I post clues about my location. I'll be out enjoying God's beautiful creation - although I may send up a few complaints about the gnats. I look forward to having random conversations with those who stop by!

Also keep an ear open for other "outdoor church" opportunities - barbecue worship is in the plans. Summer is a time when we are more likely to see neighbors, so as we are out-and-about this summer, look for opportunities to get to know folks. I'm always surprised how even in a town where "everyone is related" there are still folks who fall through the cracks and could use a friendly word or wave.

July 15 - 18 - Mason Street Vacation Bible School - 5:30 p.m. to 8 p.m. @ Lena UMC - for Preschool through fifth graders. Dinner will be served at 5:30 p.m. followed by skits, music, crafts, and Bible teachings games. It will be a memorable time for children as they develop friendships with one another as well as the Lord Jesus. This year the VBS offering will help to support Stephenson County's Ramp program.

July 7, 14, 21, and 28 - Sunday church services will focus on "Unraveled" seeking God when our plans fall apart. How do we press onward when our tightly-knit plans unravel into loose threads? July services emphasize: Unexpected Joy and Surprise, Unraveled by Uncertainty, Public Grief that Inspires Action, and Radical Unraveling of Vocation.

Church service is held at 9

a.m. with a fellowship time following. Sunday school is off for the summer. People wanting more information about LUMC should call the church office at 815-369-5291, or stop by the office at 118 W. Main Street, Lena. Website address is www.lenaumc.org. Information is also available on Face book at Lena United Methodist Church. Both the website and Face book page are updated regularly. Need a ride to church? Call church office weekday mornings at 815-369-5291.

Salem United Church of Christ

On Sunday, July 14, at Salem United Church of Christ, 8491 N. Salem Road, Lena, Rev. Randal Nicholas will present the sermon, "The Worst of Years," preaching from the Old Testament, Amos 7:7-17. Worship begins at 9:30 a.m. Contributions for the Lena Food Pantry for the month of July can be the contributor's choice—non-perishable boxed or canned food items, cleaning products, personal hygiene products, and/or paper products. The Wednesday Morning Breakfast Group will meet at 8 a.m. on Wednesday, July 17, at the Two Eagles Restaurant, 18 E. Main Street, in Freeport.

Steve served in the United States Army during Vietnam, receiving the Bronze Star Medal for Heroism. One of his battalion's trucks carrying ammunition hit a mine and exploded. The Bronze Star Award announcement reads, "With complete disregard for his own safety, Specialist Henry evacuated an injured comrade to safety. Although receiving burns, Specialist Henry continued to help the medics give first aid to the other wounded men. His valorous actions were responsible for saving a man's life." Are you suffering with migraines?

By Dr. Mike Wampfler DC

PREMIER CHIROPRACTIC

Approximately 38 million Americans suffer from migraine headaches.

Ninety-one percent of people experiencing regular migraine headaches suffer migraine-associated disabilities directly related to their headaches. Millions of dollars pour into the treatment of migraines using medications which only address symptoms yet never resolve the underlying cause.

Chiropractic spinal adjustments provide one of the most effective interventions for people suffering with migraine headaches. The limitations to current pharmacological therapies highlight the need to explore alternative or integrative care for headaches. Newly published research shows the effectiveness of Chiropractic care for those suffering from migraines. Chiropractic adjustments deliver a significant effect that lowers the pain intensity of migraines, the duration of migraine pain, and the number of days migraine sufferers have to deal with pain.

Spinal adjustments improve function in the brain and central nervous system and help balance hormones associated with migraine headache pain.

The purpose of Chiropractic involves gently adjusting misaligned or immobile vertebra with the intention to improve nervous system communication from the brain to the body. The position and movement of the spine intimately connects to the health of the central nervous system. An altered spinal segment causes interference which impacts overall health. Poor vertebral position traces back to a number of traumatic origins ranging from physical injury to the stresses of life.

One outcome manifests as imbalanced stress hormones which produce migraine headaches.

Chiropractors specifically evaluate the alignment and mobility of the spine to ensure proper communication between the brain and the body.

Other interventions known to support the influence of a Chiropractic adjustment in helping migraine sufferers include spinal stabilization exercises, deep breathing techniques, soft tissue massage, stretching, nutrition, and ergonomic modifications.

Many people suffering from migraines believe that medication provides the only form of pain relief. Meanwhile, pharmaceutical medications represent some of the most dangerous drugs on the market due to their toxicity, potency, and potential for addiction and harm. The pain associated with migraines need not be exacerbated by the side effects of an intended treatment. Medicinal side effects from medications intended to treat the pain often complicate the healing process and rarely ever address the source of the pain or provide long term resolution.

Chiropractic provides a drug-free approach to addressing migraine suffering. Nervous system care offers a critical solution that pursues the permanent resolution of migraine headaches. The most up to date research contributes to building evidence which

physical pain relief begins with ensuring optimal function exists in the nervous system.

Before experiencing another episode or ingesting another drug, every migraine sufferer deserves the hope of Chiropractic.

Strawberry Pound Cake Trifle

Cake: 1 C. unsalted butter, softened
3 C. sugar
1 C. sour cream, room temperature
3 C. flour
½ t. baking soda
6 large eggs, room temperature
1 t. vanilla
Preheat oven to 325. Butter and flour a 10-inch tube pan. In a large bowl, beat butter and sugar with a mixer at medium speed until fluffy, 3 to 4 minutes, stopping to scrape the

sides of the bowl. Beat in sour cream. In a medium bowl, sift together flour and baking soda. With mixer on low speed, gradually add flour mixture to butter mixture alternately with eggs, one at a time, and beating well after each addition. Beat in vanilla. Pour batter into prepared pan. Bake until golden brown and a wooden pick inserted near center comes out clean, about 80 minutes.

Trifle: 2 lbs. fresh strawberries, hulled and quartered
½ C. sugar
1 pkg. (8 oz.) cream cheese, softened
¼ C. powdered sugar

1 container (8 oz.) frozen whipped topping, thawed

½ pound cake, cubed

Fresh strawberries for garnish

In a medium bowl, combine strawberries and sugar. Let stand until juices are released, 15 to 30 minutes. In a large bowl, beat cream cheese and powdered sugar with a mixer at medium speed until smooth. Fold in whipped topping.

In a large trifle dish, layer half of cubed pound cake, half of strawberry mixture, and half of cream mixture. Repeat layers once. Refrigerate for at least 4 hours before serving. Garnish with strawberries.

Now that the Fourth of July has passed, next up in our area is the Stephenson County Fair. I mentioned earlier in the column that the extended forecast says it will be cooler and less humid. We usually have some kind of rain during that week just to make it interesting! Good luck to all those people who put a lot of work into getting animals, people, and projects ready for the fair. Hopefully it will be a success for all those hard working people who put so much effort into it. We are looking for some recipes that feature vegetables from the garden and some cherries and strawberries.

If you have any recipes you would like to share, send them our way. You can contact us in person, by mail, or email us at From Lena's Kitchens, *Shopper's Guide* at 213 S. Center St. or email.
