Still the number one best seller

By
SCOTT CERNEK
Columnist

I have found myself saying a certain phrase over and over these days as I teach Bible Studies throughout the week and when I preach each Sunday morning.

Here is the phrase I have found myself using, "Ee are living in unprecedented times."

I'm saying that phrase so much because of what we have experienced the last couple of years here in the States and throughout the world.

It has been without a doubt unparalleled and extraordinary in so many ways. As a Christian, who believes the Bible is God's perfect word, I knew these godless days were going to come upon the world and sure enough great confusion has come.

There is confusion as to what is right and wrong in our society. There is confusion as to what is sin and what is not sin, and there is confusion as to what is good and what is evil.

In Isaiah 5:20-21 we read, *beware, those who call evil good and good evil, who turn darkness into light and light into darkness, who turn bitter into sweet and sweet into bitter. Beware, those who think they are wise, those who think they possess understanding.*

We could also say, beware, those who think they are wiser *than God*, those who think they possess greater understanding *than God*. That is what we see today from so many who are telling us that anything goes in society.

There are no specific genders, there is no human life in the womb, there is no true definition of marriage and on and on it goes.

Here's the thing, in order, to understand the things of God, the Bible says that we must have a spiritually discerning heart. A spiritually discerning heart comes when the Holy Spirit comes to live in our heart the moment, we choose to believe in the Lord Jesus Christ for salvation.

If you haven't put your faith in Christ you are bound to think that man's solutions and definitions of right and wrong seem like the best way to go. 2 Corinthians 2:14 is a great verse to help us understand this concept.

It reads, *the natural (unbelieving) man does not accept the things that come from the Spirit of God. For they are foolishness to him, and he cannot understand them, because they are spiritually discerned.*

According to Wikipedia, in the last 50 years the Bible has sold 3.9 billion copies worldwide and continues to be the best-selling book of all time.

In fact, it is by far and away the world's number one best-selling book of all time hands down. The fact that a book that is over 3,000 years old could be the number one best-selling book in the world today is mind-boggling, unless one actually understands that it is God's timeless word of truth for all time.

It gives us the keys to living in God's truth in a very confused and lost world. The Bible also explains clearly the gift that God is offering anyone who humbles themselves and believes in Him and His only son for the salvation of their souls.

That gift is a life of great joy and blessing on earth and eternal life in paradise. Part of the blessing of knowing Christ is the ability to discern what is happening in today's society.

You see the problem is that just in the last 50 years or so a godlessness has pushed its way into modern society, and it has tried to force God out. Modern society very foolishly pretends that the Bible is no longer relevant and that it is outdated.

The fact is that God knew these days would come on the earth and, that it would all lead to bringing His final perfect plan to completion.

Now I know some of you are saying, "but all this high-tech knowledge that we have created shows that we are smarter now and are creating a better world than the world God created."

You may even think that modern society understands mankind better and what's right for "saving" the earth. Sadly, none of that is true. We are actually experiencing calamities and death because of man's own doing.

In fact, Jesus said in Matthew 24:22, *Unless that time of calamity is shortened, not a single person will survive.*

I urge you today to open your heart to God, put your trust in Jesus Christ and allow Him to help you discern through the confusion of these last days. He promised to return, and He never lies.

Until next week, God bless!
