FHN - WE'RE HERE, FOR YOU.

Shine a light on your heart health

FHN is offering **two \$99 heart tests** during American Heart Month!

Did you know that most heart attacks could be prevented with early diagnosis of risk factors for coronary artery disease. For American Heart Month in February, FHN is offering special pricing on two tests that can give you a good look at your heart health if you have no known coronary artery disease and no prior heart issues.

\$99 FHN's Calcium Scoring CT Heart Scan uses 64-slice CT scanner technology to detect calcified plaque in arteries, an indication of potential heart issues. This non-invasive x-ray takes only a few minutes and does not require any physical activity.

\$99 Standard Walking Treadmill Stress Test helps to determine artery condition and may be right for you if you have risk factors for heart disease such as high cholesterol, existing or borderline high blood pressure, a history of smoking, diabetes, or family history of heart disease. You must be able to walk for this test.

Call between Monday, February 13 and Friday, March 10 to schedule tests at the special \$99 price; the tests themselves may be performed through Friday, June 30.

For more information or to schedule an appointment today, call **1-877-6000-FHN** (1-877-600-0346) ext. 944 or visit www.fhn.org. During Heart Month, take steps to be sure yours is in good shape!

These tests should not replace consultations with your healthcare provider. If you do not have a primary care provider, we will work with you to determine how to handle your test results when we communicate them to you. Payment (cash, checks, credit card) due at time of service.

We're here, for you.

One way we can help each other get through these challenging times is to keep our dollars local. Here are three good reasons.

Reason #1: Shopping locally saves you gas and wear and tear on your vehicle.

Reason #2: When you spend your money locally, you support the businesses whose property taxes pay for our municipal services.

Reason #3: Many of our youth programs are supported and sponsored by local businesses and if we don't support them, they can't support our kids.
