Rockford Police issue scam advisory

The Rockford Police Department has issued an advisory regarding recent reports of citizens receiving phone calls from individuals alleging to be from the Rockford Police Department.

Reports indicate the callers, who may be "spoofing" phone numbers to appear to be from the Rockford Police Department, are demanding payment for outstanding warrants.

Citizens are reminded that the Rockford Police Department does not take payments of any kind over the phone and should not give financial information to anyone purporting to be from the Rockford Police Department.

Citizens who receive phone calls from someone claiming to be from the Rockford Police Department and asking for payment by phone are encouraged to note the name and phone number from which the call is received, and report the call to the police non-emergency number at (815) 966-2900.
