HOSPICE

my **STORY**
MY MONROE CLINIC

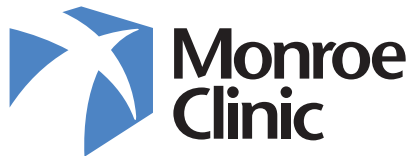

Nancy Reneau and Jenny LaRosh

"Hospice is about giving him the care he needs when nothing else can be done."

**Nancy
Reedsburg, WI**

In less than one short year, Nancy Reneau lost her husband, her mother and her father. Having Monroe Clinic's hospice team support allowed Nancy to treasure, rather than just survive, the final days with her loved ones.

Last year Monroe Clinic cared for thousands of health issues in over 200,000 patient visits. We are family, neighbors and professionals using advanced technologies to care for our community—one patient at a time. Hear Nancy's story at monroeclinic.org/mystory.
