Protect yourself and your family with a flu shot!

Influenza ("flu") isn't anything to mess around with – it can be serious or even deadly for elderly people, newborn babies, and people who have certain chronic illnesses.

Help your body fight off the flu this year by getting a flu shot at one of FHN's flu shot clinics, open to the public at convenient locations across northwest Illinois.

If you are an adult under 65 years of age, you will get a quadrivalent vaccine that protects against 4 strains of influenza for \$28.

If you're 65 or over, you will receive a high-dose version of the vaccine (\$62). There will be no out-of-pocket expense if you are covered by Medicare Part B (please present Medicare card) or a Medicare HMO accepted by FHN (there's a list available at each location; covered persons MUST present the Medicare HMO card instead of the Medicare card for the billing process).

All immunizations not covered by Medicare or a Medicare HMO must be paid for by cash or check payable to FHN. The prices shown here are only available at these flu shot clinics; other rates may apply in FHN offices. No other insurance coverage can be accepted at these flu shot clinics, and per government regulations, no Medicaid cards can be accepted at these locations.

Because of federal guidelines to prevent identity theft, everyone must present a photo ID to receive an immunization. Children can only be immunized if a written prescription from a physician indicating dosage is presented.

You should NOT receive a flu shot at any of these clinics if you:

- Are allergic to eggs or the flu vaccine
- Are ill or have a fever
- Have a depressed immune system

Please contact your healthcare provider or call FHN toll-free at 1-877-6000-FHN (1-877-600-0346) ext. 945 for assistance in finding a provider if you can't receive a vaccination due to the above restrictions.

For more information, visit **www.fhn.org**.

We're here, for you.

SHARING CONFIDENCE

Chris Brooks knows your life's mission doesn't end with retirement. From family life and helping the developmentally disabled to representing his alma mater Monmouth College, people still rely on him. "I've been an OSF patient since 1996. They discovered I was pre-diabetic and anemic. They fixed my hand so I could keep playing the drums. OSF is part of the community. They are us. There's a trust factor that just gives me a lot of confidence in my health. And that allows me to keep doing what I love."

VIRTUAL DEMENTIA TOUR

Tour Facilitated by Senior Helpers

The Virtual Dementia Tour is an individual experience through simulated dementia created for families, organizations and companies seeking to better understand the physical and mental challenges of those with dementia.

After experiencing this sensory training, you will have a greater understanding of the realities of what living with dementia is like. This unique, interactive program has been shown to improve communication and care. Learning to create a positive environment for those with dementia can only come from attempting to walk in their shoes.

One way we can help each other get through these challenging times is to keep our dollars local. Here are three good reasons.

Reason #1: Shopping locally saves you gas and wear and tear on your vehicle.

Reason #2: When you spend your money locally, you support the businesses whose property taxes pay for our municipal services.

Reason #3: Many of our youth programs are supported and sponsored by local businesses and if we don't support them, they can't support our kids.
