## Stockton girls roll in final practice sessions

By Chris Johnson  
REPORTER

The Stockton Lady Blackhawks hope to find the type of success that has seen them battle for conference honors over the past many years. There were a few down years with Head Coach Dennis Young leading up to the 2017-2018 season, but for the most part it's been a positive showing.

Just over the past decade, the Lady Blackhawks have wrapped up their regular seasons with 20-plus win totals on numerous occasions. They were Regional Champions in consecutive seasons from 2008 through 2010. Two down seasons and two more 20-win seasons waited through last year's run.

There is a lot of hope that a rebound effect may come to this year's basketball squad. Their volleyball team has already achieved historic status. They are the only team to have beaten the Durand Lady Bulldogs this year. Durand is playing in the Class 1A State Volleyball Finals this weekend carrying a 34-1-1 record. A big win like that can sometimes provide a boost to a program. That can help a team focus on this year's goals, with a little more enthusiasm. Many of the players on this year's volleyball squad are also members on this year's Blackhawks girls' basketball team.

Katie Wright was an outside hitter on the volleyball squad. She'll play form

the point guard and off-shooting guard positions this year. Kali Haas was libero. She will be a shooting guard. Aspyr Stewart will play from the point. She was an important outside hitter and captain for the volleyball team.

A big problem for NUIC foes will be Emily Offenheiser. She will be a force at center and has the ability to play the point, according to her pre-season ledger. She was mid-hitter on the volleyball team and a lot of the offense ran right through her 6 foot 2 inch frame.

Stockton is going to have its problems. There will be many hurdles along the way and a lot of the trouble might come from Stockton's nearest conference neighbors. The biggest issue might be how strong Galena is going to be again.

The Lady Pirates are a four-time defending Regional Champions. They have won 96 games over the past four years and were 29-2 last season. They have worked through Sectional each of the last two seasons. East Dubuque might be an issue. They were 22-4 with Head Coach Jared Deutsch last season. They are favored to compete for the West Title.

Other intriguing rivals don't appear to have too many answers attached to them. Teams such as Lena-Winslow, Eastland and River Ridge/Scales

## CTE students work together to support teacher

At the start of the 2017-2018 school, CTE Academy Law Enforcement & Criminal Justice Instructor, Kathleen Speaker was diagnosed with cancer. As students arrived back from summer, they quickly started to organized ways to help and show their support. The Graphic Communications students worked with her Criminal Justice students to design a shirt to sell. The Culinary students also organized to host a spaghetti supper fundraiser. CTE Academy

teachers assisted the students to help make this possible and also collected Silent Auction items.

Please join us Nov. 8, 5-7 p.m. to support Ms. Speaker and all the work that students have done to pull off this event. For more details, see the CTE Academy website and Facebook page.

For more information or wanting to donate an auction item, please contact Sue Meusel at 815-858-2203 or email [smeusel@cteacademy.net](mailto:smeusel@cteacademy.net)

## Above and Beyond

Stockton Middle School 7th and 8th grade students are given a number of points that they need to earn each quarter by reading books that interest them and then taking quizzes on the books. The goal is to encourage students' love of books while building their reading skills and background knowledge. Students may chose either fiction or nonfiction books in any subject area that interest them. These students went 'above and beyond' by doubling their goal. Students that double their goal are recognized and treated to a special reward. In addition, these students were given a 'Golden Ticket' for a drawing to be held after 1st semester for a chance to throw a pie at Mr. Fox, principal of Stockton Middle School. All students that meet their goal will also have an opportunity at a chance to throw a pie at their favorite teacher. Seventh grade participants (above) are Lauren Kehl, Ryley Schultz, Katie Crome, Braelyn Fahrney, Nathan Coffey. Eighth grade (below) participants are Front Row: Ryder Robledo, Raeann Roberts, Maria Bender, Back Row: Connor Vincent, Wyatt Raab, Joseph Brudi, Morgan McPeck.

# CHURCH NEWS

COURTESY PHOTO The Scoop Today

As a result of its recent Council Hill fundraiser, The Stockton Unitarian Universalist Church met its goal of giving 12 "Service Partner" groups an additional donation in 2017.

## Fundraising concert at Council Hill Station benefits many

On Sept. 16, the Fourth Annual Council Hill Community Fundraiser, hosted by the Stockton Unitarian Universalist Church, was held at Council Hill Station near Scales Mound, Illinois. The fundraiser's profits were increased due to the generous sponsorship by both Illinois Bank & Trust and Apple River State Bank/First Community Bank of Galena. 60's, 70's and 80's Acoustic Rock music was provided by the "Kampfire Kings" & enjoyed by all. The Stockton Unitarian Universalist Church met its goal of giving 12 "Service Partner" groups an additional donation in 2017. Each month, the church gives a generous portion from Sunday's plate collection to a designated non-profit. The twelve 2017 organizations receiving support from the Stockton Unitarian Universalist Church are:

Volunteer Hospice of NW Illinois  
The Workshop  
American Red Cross  
Apple River Food Pantry  
Tyler's Justice Center  
Stockton Food Pantry  
Riverview Center  
Elizabeth Food Pantry  
Purr-fectio Animal Rescue

Warren Food Pantry  
F.A.C.C. (Freeport Area Church Co-operative)

S.N.A.P. (Supplemental Nutrition Assistance Program for Stockton Schools Milk Fund)

Each group will receive an additional check this year due to making a profit of \$3000 at the concert. Silent auc-

tion items were donated by businesses, agencies and individuals representing these communities, generously adding to the day's profits.

Council Hill Station generously provided a terrific location for a relaxing and fun afternoon and the "Kampfire Kings" music in this beautiful rural setting made a wonderful combination.

### St. Paul's welcomes special visitor

On Sunday, Nov. 12, at their 10 a.m. family worship, St. Paul's Lutheran Church in Kent will welcome a guest preacher from the Northern Illinois Synod. Pastor Kurt Nordby will deliver the message based upon Matthew 25: 1-13. Pastor Nordby is Assistant to Bishop Jeffrey Clements and oversees the operation of Mission Support through the ELCA. Liturgist for the day is Bonnie Hill, and Deb Winning will provide appropriate music.

Holy Communion will be celebrated, and both Pastor Nordby and Pastor Andres will co-preside. Immediately after worship, there will be a potluck in honor of Pastor Nordby.

All are welcome to join us. We are

located at 1334 N. Sunnyside Road in Kent. For more information, please call 232-4010.

### Stockton Wesley United Methodist Church dates to remember

Stockton Wesley United Methodist Church dates to remember:

Regular worship times are: Sunday School at 9:30 and Worship at 10:45. We are located at the corner of Hudson and Benton Streets and the church is handicap accessible. Check our website: [www.stocktonwumc.org](http://www.stocktonwumc.org) or look us up on Facebook.

For information please call Pastor Chuck at 262-308-2379.

Our doors are open to all who wish to enter and be welcomed.

### Quilt at Calvary Bazaar on Saturday, November 11

New this year at the Calvary Bazaar on Nov. 11, is a quilt made by the Calvary ladies over several months this spring and summer, and then beautifully machine quilted. It is a large queen size quilt in shades of blue. Watch for it to be on display at the local banks before the bazaar. 200 chances are available at \$5 each. Chances may be purchased every Sunday morning at Calvary, or while on display, or at the Bazaar on Nov. 11. Plans are to have the drawing on the night of the Cantata, December 3rd at Calvary Church.

The Pattern for the quilt is called "Women of the Bible." It includes 40 squares named for 40 famous and not so famous women in the Bible in a sampler quilt format. For example, Deborah, an Old Testament judge, is represented by a quilt square called "courthouse steps." All the proceeds from the quilt will go to the Projector Fund at Calvary.

The Bazaar will be held at on Nov. 11, from 9 a.m. to 2 p.m. The usual tables will be available: Crafty Corners (crafts, needlework, sewing, wall hangings, table decorations and woodworking); Bake Shop Goodies (baked goods galore from cookies to pies); Christmas Fantasy (Christmas décor of all sorts from wall hangings, tree ornaments, skirts, etc.); Candy Cane Lane with caramel corn and various candies; Produce Pantry (end of the year produce, nuts, apples, homemade jellies and jams). Many items are perfect for gifts as there are items for babies, for seasonal decorating, specialty sweater jackets, and so forth. All are invited to come. There will also be available coffee and rolls, soups, sandwiches,

and lunch items.

### Gone Fishin' to perform at First Presbyterian Gospel Music Night

The First Presbyterian Church of Apple River IL, will be hosting the group Gone Fishin' on Sunday, Nov. 12, at the church from 7 p.m. - 8:30 p.m. This will be the last gospel night of this season, so please plan to attend.

The second portion of the evening is open mic, we invite anyone to share their music

The evening closes with a sing-along, giving everyone an opportunity to choose their favorite hymn.

Any questions contact Pastor Kathy Linn 815-858-5410

### Willow/Kent United Methodist Church

Willow/Kent UMC Churches will worship together Sun. Nov 12, at 9 a.m. with Pastor Chuck Wolbers giving the message; "Veterans Recognition". All are invited and are welcome. He also will be serving Holy Communion and no one is turned away.

This is also the Sunday to bring your Christmas Shoe Boxes to be dedicated.

Sunday School is at 10:30 a.m. studying from the Holy Bible; all are welcome and invited to this time too.

Willow UMC is located about 7 miles SE of Stockton, IL on Willow Rd. For more info; call the Pastor at 262-308-2379.

### Missions matter

Missionaries Kevin and Susan Frye will be at Christ Lutheran Church in Stockton, Ill. on Nov. 11, at 5:30 p.m. and Nov. 12, at 10 a.m. telling their stories about Africa.

# VIEWPOINT

## Attorney General Madigan applauds passage of legislation making credit freezes free

Attorney General Lisa Madigan applauded the Illinois House for passing legislation to prohibit credit reporting agencies from charging

consumers fees to put a credit freeze on their accounts.

Following the massive data breach at credit reporting agency

Equifax, the Attorney General initiated House Bill 4095, sponsored by state Rep. Greg Harris, to eliminate credit freeze fees in Illinois. Seven states already ban or restrict these fees by the credit reporting agencies Equifax, Experian and TransUnion. The legislation passed unanimously by a vote of 109-0 out of the House and will now be considered by the Senate.

"Unfortunately it is no longer a matter of if but when you will be a victim of identity theft," Madigan said. "One of the best ways for people to protect themselves from identity theft is to place a credit freeze on their reports. 'People should not have to pay for this vital service especially after the massive Equifax breach.'"

"Consumers trusted credit reporting agencies to protect sensitive, personal information, and yet we learned with Equifax that those agencies are not impervious to data breaches," Harris said. "Whether you are one of the more than 5 million Illinoisans affected or someone who wants to proactively protect your information through a credit

freeze, you should not have to pay a fee for doing so."

The Equifax breach reported last month has so far impacted over 145 million Americans and more than 5.4 million Illinois residents. Currently in Illinois, consumers are charged \$10 a piece to place a credit freeze with each of the three major credit reporting agencies, unless they are over 65 years of age, an active duty service member or an identity theft victim with a police report. Madigan's legislation would prohibit credit reporting agencies from charging a fee for a credit freeze as well as for the removal or temporary lift of a credit freeze.

In light of the Equifax breach, some of the credit reporting agencies began offering a credit lock, which is similar to a credit freeze. In some cases, the companies also charge a monthly fee for the lock and combine it with other services, such as credit monitoring. In other cases, the agencies offer a credit lock free of charge, but the terms and conditions indicate that consumers' information will be shared with affiliates and third party marketers. Madigan

said those conditions are unacceptable because the goal for consumers is to secure their data – not distribute it any further. Consumers should be able to receive the credit freezes provided for by law without fees and without being subjected to marketing from unknown third parties.

In addition to placing a credit freeze on all of your credit reports, Madigan offered the following tips consumers can take to safeguard against identity theft:

Regularly request your free credit reports, inspect them closely, and promptly dispute any unauthorized accounts;

Inspect all financial account statements closely and promptly dispute any unauthorized charges;

Consider placing alerts on your financial accounts so your financial institution alerts you when money above a pre-designated amount is withdrawn;

Beware of potential phishing emails; don't open any email messages or attachments from unknown senders and do not click on any unknown links. Fraudsters will frequently send coercive and misleading emails threatening account suspension or worse if sensitive information is not provided. Remember, businesses will never ask customers to verify account information via email. If in doubt, contact the business in question directly for verification and to report phishing emails; and

Be on the lookout for spoofed email addresses. Spoofed email addresses are those that make minor changes in the domain name, frequently changing the letter O to the number zero, or the lowercase letter L to the number one. Scrutinize all incoming email addresses to ensure that the sender is truly legitimate.

Madigan is leading a multistate investigation of the Equifax breach to address the consumer harm, take steps to help prevent such financial disasters in the future and hold Equifax accountable. Earlier this month, Madigan joined with 37 other attorneys general to urge credit reporting agencies Experian and TransUnion to immediately stop charging fees to consumers who want to put a credit freeze on their accounts.

Madigan encourages people to contact her Identity Theft Hotline at 1 (866) 999-5630 or to review the Identity Theft resources on her website. The hotline is staffed with identity theft experts who can help victims report the crime to local law enforcement and financial institutions, work to repair their credit and prevent future theft. Hotline operators can also assist callers who want to take proactive steps to prevent their personal information from being stolen. Since February 2006, the Attorney General's Identity Theft Unit has assisted Illinois consumers in removing over \$29 million in fraudulent charges resulting from identity theft.

## Illinois Kids Count 2017

Every year, Voices analyzes the best available data to measure the educational, social and emotional, economic, and physical well-being of Illinois children.

This year's Illinois Kids Count report focuses on education indicators, telling a strong story of opportunity, achievement, and attainment gaps in our state. Despite progress over time, we still have work to do to reduce systemic inequities and increase support for the children that need it the most. To build a future for Illinois where every child is a high achiever, we make four major recommendations to state leaders:

- Increase investments in quality early childhood education programs for low and middle-income children;
- Examine and address inequities in school resources, teacher and principal distribution, course rigor, and discipline practices;
- Coordinate support services so that every child has access to food, safe after-school programming, and mental and health services;
- Improve college access and completion rates.

The report and county-level fact-sheets, which can be accessed on the Illinois Kids Count web site at <http://bit.ly/2A46wMr>.

### Race for Results

Voices also partnered with the Annie E. Casey Foundation to support the release of their Race for Results report, which finds that Illinois children of color continue to face barriers to success. The report examines national and state data on key education, health, and economic milestones by racial and ethnic groups and uses an index to make comparisons.

On a scale of one (lowest) to 1,000 (highest), the report finds large disparities among the index scores between groups in Illinois. African American (327) and Latino (475) children trail White (766) and Asian and Pacific Islander (844) children on the path to opportunity. The report also provides data

on the well-being of children in immigrant families and offers recommendations that put children at the center of policy development.

### The Fragile State of Public Higher Education in Illinois

Also in October, Voices analyst John Gordon looked at the state's public higher education system. John looked at not only the budget cuts for this fiscal year (FY18) compared to FY15 but also at the enrollment declines at most of the state's institutions of higher learning.

### Further budget cuts from the Governor's Office of Management and Budget

The state of Illinois has a budget in place for the fiscal year but the Governor's Office of Management and Budget (GOMB) says it is out of balance by approximately \$1.7 billion dollars. As a result, GOMB put out a list of budget cuts last month totaling more than \$200 million. Just over \$89 million of that amount comes from the Illinois Department of Human Services including a \$4 million cut to Redeploy Illinois (a program of grants to counties for community services to help reduce juvenile detention) and a nearly \$7 million cut to Teen REACH (which provides after-school program services to high-risk youth). Furthermore, with a remaining \$1.5 billion deficit (according to GOMB), the administration has indicated more cuts will be necessary.

While the state needs to live within its means, it cannot squander the opportunities to improve the lives of our youth. If we continue down this path, the progress outlined in the Illinois Kids Count report may begin to disappear. Whether this fall, or during the upcoming spring legislative session, it is imperative that the Governor and General Assembly work together to move our state forward with the funding necessary to meet the educational, health, and human service needs of our children and their families.

## Bustos urges Illinoisans to review their health care options

Congresswoman Cheri Bustos (IL-17) urged Illinoisans who receive their coverage through the individual market to review their health insurance options during the annual health exchange's open enrollment period. Open enrollment lasts from November 1st until Dec. 15. Illinois residents should visit [GetCovered.Illinois.Gov](http://GetCovered.Illinois.Gov) to find the coverage that is best for them.

"Over the next six weeks, Illinoisans have the opportunity to review their health care options and choose the plan that's best for them and their families," Congresswoman Cheri Bustos said. "I urge anyone across

our region who is ready to sign up for coverage or make changes their plans to visit [GetCovered.Illinois.Gov](http://GetCovered.Illinois.Gov) before Dec. 15."

Last year, eight in ten people nationally qualified for financial help with their premiums. Enrolling now will help protect families from unexpected medical costs, and secure access to free preventive health services guaranteed under the law.

There is free help available if a person has questions about signing up or wants to talk through their options with a trained professional. Call 1-800-318-2596 or visit <https://local-help.healthcare.gov>.

## 23 million rural Americans are without broadband access

By Jordan Rasmussen  
CENTER FOR RURAL AFFAIRS

Disparity in rural high-speed internet access has recently garnered national attention.

The internet is now one of the most basic modes of how people find employment, attend college, work, handle their finances, and receive medical care. However, especially in rural areas, the internet is not available to be utilized in its full capacity.

Earlier this summer, Microsoft released a report outlining strategies to eliminate the rural broadband gap by 2022 for the more than 23 million rural Americans without access. Beyond funding and the leveraging of innovative and cost-efficient technologies, public-private partnerships are key to the strategy.

In order to bring in public sector

participation, citizens will need to remain actively engaged in state and local internet access conversations.

Rural residents need to draw attention to the limitations that slow or non-existent internet speeds impose upon access to everyday educational and economic opportunities. Demonstrating the magnitude of the digital divide places pressure upon local and state governments to update policies and leverage collaborative funding streams for the benefit of all citizens.

Funding opportunities and legislative changes are key to the extension of internet access to all residents. The ability to expand broadband access in rural communities expands social and economic opportunities for Americans. But, it will take partnerships, community action, and citizen participation to help close that divide.

## Obituaries

### PAUL G. KALLEMEYN

Paul G. Kallemeyn, age 74, of Savanna, Illinois, passed away Monday, Oct. 30, 2017, at his home. A funeral service was held Saturday, Nov. 4, at Law-Jones Funeral Home, Savanna. Burial took place in Spring Lake Cemetery, Savanna, with military rites conducted by Savanna VFW Post #2223. Memorials may be given to the American Cancer Society or the Savanna V.F.W. in Paul's memory. Family and friends are invited to share in Paul's life at [www.lawjonesfuneralhome.com](http://www.lawjonesfuneralhome.com).

Paul was born March 15, 1943, in Iowa City, Iowa, the son of George and Lucille (Dirks) Kallemeyn. Paul proudly served his country in the United States Navy from 1960 to 1964, where he was commended for his support during the Cuban Missile Crisis in the fall of 1962. He attended Savanna High School and earned his GED while enlisted in the United States Navy. On April 8, 1967, he married Helen Louise Snow in Savanna, and they recently celebrated 50 years of marriage.

Paul worked at the Savanna Army Depot, working his way up to Maintenance Foreman before retiring in 1993. He was a former member of the Savanna Presbyterian Church. Paul enjoyed being outdoors hunting, fishing, and camping on the river. He also loved playing pool, riding motorcycles, and traveling through the United States with his wife, Louise, in their fifth-wheel.

Paul will be dearly missed by his wife, Louise; four children, Ronald (Denell) Kallemeyn of Williston, North Dakota, Thomas (Carolyn) Kallemeyn of Jacksonville, Florida, Robert (Kristine) Kallemeyn of Dewitt, Iowa, and Rebecca (David Weissmiller) Lenz of Lena, Illinois; eight grandchildren; and one great-grandson. He is preceded in death by his parents; and two sisters, Etta Leese and Mary Lundy.

### MARGERY ANN KOUNKEL

Margery Ann Kounkel, 82, passed away on Tuesday Oct. 31, 2017, at Liberty Village Manor Court in Freeport, IL, after a brief fight with aggressive brain cancer.

She was born Jan. 16, 1935, in Pearl City, Illinois to Morris and Eleanor (Brady) Brandt. Marg was baptized and confirmed at St. John's Lutheran in Pearl City. As a young person she was active with many church activities including Luther League and choir. She attended Pearl City schools and was the class valedictorian of her senior class.

Margery married Ronald Toepfer in 1957 at St. John's Lutheran in Pearl City, IL. Marg and Ron spent several years in England while Ron was in

the service. Margery started a new life with Raymond Houpt marrying in 1967 at First Lutheran Church in Freeport. Marg and Ray resided in Freeport, IL, and the Loran area. After 32 years of marriage Ray passed away on 10/25/99. Margery married Eugene Althof in 2007 and they lived in Stockton, IL. Eugene passed on July 13, 2013. Marg started a wonderful new relationship with Kenneth Kounkel after meeting in church and marrying on Dec. 7, 2015.

Margery worked in the Lab at Freeport Memorial Hospital for many years. She also worked as a CNA at what is currently Presence St. Joseph's nursing home.

Margery was extremely active with her church, First Lutheran of Freeport. She was an avid gardener that included many vegetable, flower and water gardens. She also enjoyed bird watching. She loved to travel with her husband Ken.

She is survived by her husband Ken, her sister Jean (Harold) Zimmerman, Lena; her sons David (Mary) Toepfer, Pearl City; Brian (Judy) Toepfer, Freeport; Kevin Toepfer, Pearl City; Mark Toepfer, Pearl City; John Houpt, Pearl City. Grandchildren, Sarah (Luke) Kramer, Freeport; Brittni (Allen) Schmitz, Warner Robins, Georgia; Zachary Toepfer, Vail, Colorado. She was preceded in death by her parents and brother, Donald Brandt.

Visitation was Nov. 3, at Schwarz Park Boulevard Chapel, 608 S. Park Boulevard, Freeport, IL. Funeral services were Nov. 4, at the First Lutheran Church, 303 S. Galena Ave, Freeport, IL. Burial was at Chapel Hill Cemetery in Freeport, IL.

Memorials will be established in Margery's memory to the Glioblastoma Foundation for cancer research and First Lutheran Church of Freeport, IL. Online condolences can be shared at [www.schwarzfh.com](http://www.schwarzfh.com)

### LOIS MARIE PAULSEN

Lois Marie Paulsen, age 89 passed away on Friday Nov. 3, 2017 at Stephenson Nursing Center in Freeport, IL.

She was born in Lena, IL on April 2, 1928,

the daughter of Grover and Orpha (Wiley) Shippee. She married Louis J. Paulsen at St. Joseph Catholic church in Lena on May 25, 1946. She dearly loved her family, friends, playing golf and poker.

Lois is survived by her two sons-Dennis Paulsen of St. Donatus, IA, and Daniel (Diane) Paulsen of Lena; three grandchildren, Joshua (Amanda) Paulsen and Michael Paulsen of Lena, Jessica Endicott of Dallas, TX; three great-grandchildren Isabelle and Colton Paulsen of Lena, and Evie Endicott of Dallas TX; sisters Elsie (Don) Lobdell of Lena, and Orpha Schubert of Weaverville, NC; two very dear friends Jane Frazer and Nancy Farmer both of Lena.

Lois was preceded in death by her parents, husband, grandson Gregory Paulsen; brothers Leon Shippee, who died during infancy, and Robert Shippee; sisters, Ruth Ingram, Virginia Haas, Sarah Phillips, and Geraldine Prince.

Funeral services will be at 11 a.m. on Tuesday, November 7, at the Leamon Funeral Home in Lena.

Visitation will be from 10 a.m. until time of services on Tuesday at the funeral home.

Burial will be at the Salem-Shippee Cemetery in McConnell, IL.

Rev. Father Michael Morrissey will perform the services.

A memorial has been established in her name.

Condolences may be sent to the family at [www.leamonfh.com](http://www.leamonfh.com).

### THOMAS E. TUCKER

Thomas E. Tucker, age 66 of Cedar Creek, TX died Oct. 23, 2017 due to a brief illness.

He was born April 29, 1951 to Harold and Lois Tucker in Freeport, IL. Tom graduated from Freeport High School and later married Diann Vautsmeier in Aug. of 1971. They divorced in 1980.

Tom moved to Texas in 1991 where he later married his wife Georgina on June 5, 1994. Tom loved staying busy. He was always building or fixing things, reading, listening to music and watching the cubs.

He is survived by his wife, Georgina; his two children, Jody Kay Tucker

of Clearwater, FL and Jimi James (Peggy) Tucker of Bourbonnais, IL; his two step daughters, Brenda (Meyers) Baker of Bastrop, Texas and Justine Meyers of Czech Republic; his five grandchildren, Jaylun, Jeramya, Mikey, Delia and Zoey; his four step grandchildren, Brittany, Dominic, Gabriella and Landen; his two great grandsons, Jaydun and Jayce; his two brothers, Kenneth Ross (Brenda) Tucker of Pearl City, IL and Hal Owen (Cynthia) Tucker of Stockton, IL. He is preceded in death by his father, Harold.

There will be a celebration of life on Saturday, Nov. 11, at 1 p.m. at Holy Cross Catholic Church in Stockton. A memorial fund has been established. Condolences may be shared with Tom's family at [www.hermannfuneralhome.com](http://www.hermannfuneralhome.com).

### LELAND J. WENZEL

Leland J. Wenzel, 93 of Lena, passed away at Oakley Courts in Freeport on Wednesday, Nov. 1, 2017. He was born June 30, 1924 to Olga and Benjamin Wenzel of Winslow, Ill. He graduated from Winslow High School in 1942 and then went into the farming profession.

He married Marjorie Ammon on Aug. 2, 1946 in Monroe, WI. They shared over 64 years together watching their family grow. They were blessed with two children: Sharon (Robert) Nichols of Oswego, IL, and Brian (Jo) Wenzel of Kent, IL, six grandchildren: Benjamin (Megan) Wenzel of Dakota, IL, Jessica (Jon)

Campbell of Champlin, MN; Seth (Shannon) Wenzel of Lena, IL; Kevin (Sara) Dee of Bozeman, MT; Patrick (Karla) Nichols of Raleigh, NC; and Steve (Amy) Nichols of West Bridge water, MA.; fourteen great grandchildren: Andrew, Noah, Gretchen, Liesl, Olivia, Amelia, Charlotte, Henry, Griffin, Dolores, Leland, Isabelle, Ethan, Crosby; and the five children and 10 grandchildren of Federico and Leticia Zermeno of Leon, Mexico who adopted him as their second father and grandfather. He is also survived by his sister Marion Fahr, and brother-in-law, John Ammon.

He was preceded in death by his parents, wife, Marjorie; his brothers Walter and Edwin; sister-in-Laws Alice Mae Wenzel, Jean Wenzel, Marion Timmerman, Orla Ammon; and brother-in-laws John Timmerman, and Edgar Fahr.

Leland farmed for over 55 years with the majority of that time spent in Kent, IL. He was a good steward of the land, and saw many changes in farming methods over the years. He picked corn by hand in the beginning of his career, and witnessed his son farm with GPS guided equipment in later years.

He was a member of Good Shepherd Lutheran Church for more than 85 years and served as president of the counsel, and Sunday school superintendent. He was active in many organizations that benefited the agricultural community, and Lena where he lived for over 30 years. He served as president of the Lena Lions club, Stephenson Co Farm Bureau, Illinois Charolais Breeders, Stephenson Co Livestock Feeders, and the Lena Continental Nursing Home. He also served on the boards of the Stephenson Service Company, Pearl City School District, Western Stephenson Co Area Development, Lena.

## Celebrate the gold

James and Diane Burke of Lena, Ill. will celebrate their 50th wedding anniversary on Sunday Nov. 12. They will celebrate with a family dinner at Tony Roma's in Dubuque, Iowa. They will take a Mississippi River boat cruise in the spring with family. James Burke and Diane Millam were married on Nov. 12, 1967 at the Apple River United Methodist Church by Reverend Pater Lovell. They are the parents of Terry (Sherry) Burke and Tammy (Darin) Wybourn. They have four grandchildren Nicholas (Deidra) and Cassidy Wybourn and Carter and Camden Burke and a great granddaughter Collins Wybourn all of Lena. Both are retired and enjoy riding their Harley trike. Cards and well wishes may be sent to 216 Hickory Dr., Lena, Ill. 61048.

Jerry and Mardell will celebrate at a Mass held on Nov. 12 at 2 p.m. followed by an open house reception until 5 p.m. at St. Ann Catholic Church, Warren. All family and friends are invited. No formal invitations are being sent. The couple request that gifts be omitted.

# Senior Resource Center session focuses on advance care planning, end-of-life choices

"Life Choices: A Conversation," a session addressing advance care planning and all the topics related to it, will be held at 1 p.m. Tuesday, Nov. 14, at the Senior Activity Center, 216 E. Stephenson St., Freeport. The class is sponsored by FHN.

Pre-registration for the class is required and can be accomplished by calling the Senior Resource Center at 815-235-9777.

"Twenty years of working at FHN Hospice taught me the importance of having the Conversation and making end-of-life plans," said Anita Caruso, class leader and former FHN Hospice Operations leader. "Our team saw the impact

on patients and families when there had not been any advance planning – or even any conversations about end-of-life choices. We saw many people die in a way they would not have chosen. We saw their loved ones feeling uncertain and ultimately guilty about the choices that they had to make when their loved one was not able to make his or her own decisions."

Simple conversations could prevent all of this from occurring. The "Life Choices" class explains the process of advance care planning and the tools required to make your wishes known. This includes:

- Understanding the choices you can make – What kind of medical

treatment you want or do not want, how comfortable you want to be, how you want people to treat you and who you want to speak for you if you cannot.

- Having the Conversation – Who to talk with and when.

- Documenting your wishes – What tools you need to document your wishes and how to complete them. This includes the Illinois Medical Power of Attorney form, the POLST form and living will.

Advance care planning helps ensure that your health care wishes are followed when you are unable to communicate them. According to statistics provided by FHN, nearly 80 percent of people say

they would prefer to die at home and almost 75 percent of people do not die at home. Plus, fewer than 70 percent of people have advance directives stating their wishes should they not be able to communicate them.

Perhaps equally as important is that advance care planning helps protect your loved ones if you become seriously ill, because they

won't have to make the hard choices with-out knowing your wishes.

The class uses a seven-step workbook for advance care planning. By filling this out and answering the questions included in it, you may be ready to have the conversation and to document your wishes. You will also leave the class with the forms that are needed to document your wishes.

## Gift cards: what you should know

Compiled by Tony Carton  
EDITOR

One of the lesser-known roles of the Illinois State Treasurer's Office involves gift cards.

Some unused gift cards after a certain period of time are considered unclaimed property. As such, the value of these cards is surrendered to the treasurer's office.

There is big money in these cards. Barron's reports that shoppers purchased \$130 billion in gift cards in 2015. However, the surrendering of these cards to the treasurer's office means that someone has been deprived of their use. That is why the Illinois State Treasurer's Office offers the following advice:

Know that the two most common types of cards are retail gift cards and bank gift cards. Retail gift cards only are redeemable at the specific retailer or restaurant that issued the card. Bank gift cards, which carry a payment network such as American Express or Visa, can be used at any location that accepts that specific brand.

Resist the urge to save the card for a rainy day. Doing so may increase the likelihood that some of the card's value will be consumed by fees. Instead, use the card and set aside an equal amount of cash for a rainy day.

For example, consider that while money on a typical gift card can-

not expire for at least five years, depending upon the circumstances, inactivity fees can begin in as little as 12 months. Therefore, it is possible that inactivity fees could consume the cash value of a card before the five year window has expired.

When purchasing a gift card, buy from a known and trusted source. Be wary of online auction sites. Read the fine print to determine if there are shipping or handling fees.

Consider the company's location and reputation before purchasing. A retail gift card for someone who does not live near a store's location might not be convenient. Also, a store that files for bankruptcy or goes out of business might not accept a gift card.

Treat a gift card like cash. If lost or stolen, report it to law enforcement. Contact the card's issuer to determine if a replacement card is possible and at what cost.

Today, the state treasurer's office holds more than \$2 billion in unclaimed property. Because their records are updated twice each year, the Illinois State Treasurer's Office encourages residents to frequently check the I-Cash database, which can be found at [www.illinoistreasurer.gov](http://www.illinoistreasurer.gov).

The Illinois State Treasurer's Office does not charge a fee to search for, or return, unclaimed property.

## Lena-Winslow High School to host Veterans Day salute

Lena-Winslow High School will be having their annual Veterans' Day Program on Nov. 10, at the high school starting with a free breakfast, sponsored by the Le-Win Student Council, for all area Veterans and their families. Breakfast will be served from 8:30-9:45 a.m. in the

high school cafeteria.

At 10 a.m., following the breakfast, the tribute program for all those who have served in our Armed Forces will take place in the high school gymnasium. Musical performances by the high school choir, band, and elementary students will be per-

formed. Student readings along with a video tribute that includes area veterans and district students that was produced by the High School Broadcasting Technology Class. The program is open to the public who would like to take part in this much deserved tribute to those who gave so much for our freedoms.

The Veteran's Day Program will culminate in the sixth annual fireworks display which will take place at Dusk (6 p.m.) behind the Jr. High Gym. Parking for the fireworks is available in the north and south elementary lots. Because of generous contributions from area business and community members this will be our biggest display.

Please come out and thank those individuals that gave the ultimate sacrifice to the country they love and set an example for young and old alike.

## Village of Elizabeth to stage Veterans Day program

On Saturday, Nov. 11, at 11 a.m., the Village of Elizabeth will host its annual Veterans Day event at the Elizabeth Municipal Building.

Led by Master of Ceremonies Scott Toot, the morning will feature an invocation by Father Dennis Morrissey of St Mary Church, a series of patriotic musical numbers performed by River Ridge students under the di-

rection of Thomas Taylor and Renee Schultz, recognition of area veterans, a keynote message by John D. Cooke, and a ceremonial Laying of the Wreath.

American Legion Post 298 and Vietnam Veterans of America Chapter # 928 will participate.

Coffee and donuts will be served between 10 – 11 a.m.

## Eagle Nature Foundation to stage Everything Eagle Auction

The Eagle Nature Foundation (ENF) has received a donation of over 700 eagle items from one of its members to help raise needed funds for studying the bald eagle. Many of the items are brand new and still in their original boxes. To raise these vital funds the board has decided to offer them to the general public in an auction.

The auction will be held in the Scales Mound Shipping Association, 230 South Avenue, Scales Mound, IL at 10 a.m. Sunday, Nov. 12. This building is located just South of the railroad track in Scales Mound across the road from the Post Office building. These auction items may be previewed from 4 pm

until 7 p.m. on Friday, Nov. 10.

The auction will include: many, many eagle statues from 4-6 inches up to 2 feet tall; a chain saw carved eagle; wind chimes; Christmas ornaments; eagle clocks; prints, framed and unframed; eagle throws; cross stitch kits; t-shirts and sweatshirts; sew on patches; dream catchers; flags; Tuscany stone necklaces; eagle cloth material; bill folds; puzzles; jewelry; stuffed eagles; stained glass hangings; eagle magnets; coasters; mouse pads; coffee mugs; wooden boxes, and much, much more. There are just too many to list here. Watch for the sale ads with more items listed, or come to the preview on Oct. 10. We

will have pictures of many of these things on our Facebook page.

This will be an excellent chance for any person who is collecting eagle items to get some very nice items for his or her collection. It will also be an excellent opportunity for dealers to build up their eagle inventory. Some of the items are collectors items with names as Bradford, which will make very excellent Christmas gifts for anyone. Do your eagle Christmas shopping early.

For more information contact: Terrence N. Ingram, Exec. Director, Eagle Nature Foundation, 300 East Hickory St., Apple River, IL 61001 Phone: 815-594-2306.

## Millie's quote of the week

"I think it wiser not to keep open the sores of war, but to follow the examples of those nations who endeavored to obliterate the marks of civil strife, to commit to oblivion the feelings engendered." Robert E. Lee

## Stockton High School to host Veteran's Day program

There will be a Veteran's Day Program at Stockton High School on Friday, Nov. 10, at 2 p.m. in the gymnasium to honor all veterans. The program will feature the presentation of the colors by the Stockton VFW and American Legion; public recognition of all veterans present; and music provided by the Stockton School District instrumental and choral music departments. This event is open to the general public and everyone is encouraged to attend and honor our veterans.

## Traffic crash with injuries

On 10/31/2017, at approximately 2:17 p.m., Jo Daviess County 911 received a call of a two vehicle crash that occurred on Il Route 84 South, just north of W. Whitton Road.

Upon arrival deputies discovered a white Pontiac Grand Prix that was traveling south on IL Route 84, crossed the center line and struck a north bound semi truck driven by Larry Stoewer of Elizabeth, IL. The driver of the Pontiac, Floyd J. Bartow of Hanover, IL was extricated

from the vehicle and flown to St. Anthony Hospital in Rockford for treatment

This incident remains under investigation.

Investigating and assisting agencies include Jo Daviess County Sheriff's Office, Hanover Fire Department/EMS, Illinois State Police Accident Reconstruction, Savanna Fire Department/ EMS, Carroll County Sheriff's Office, Savanna Police Department, and Lifeline Helicopter.

# SOS November meeting to feature woodcarving

Marie McDonough of Marie's Wood Carvings, Stockton, IL will demonstrate to the SOS+ (Senior Outreach of Stockton plus Surrounding Areas) on Thursday, Nov. 9, at 2 p.m. at Calvary UM Fellowship Hall in Stockton, how she can take a block of wood and carve a masterpiece. It will be an afternoon of show and tell as Maries shares the art of creating wildlife and roses out of a simple block of wood.

Marie said she learned the skill of wood carving some 30 years ago but it wasn't until about four years ago that her hobby became her passion and she loves sharing this with both children and adults. In 2016, her passion for woodcarving led her to a new found business, Marie's Wood Carvings. Marie stated, "It really started as something to just do. I loved working in three dimensions."

The first weekend of each month, Marie offers four hour classes to children and adults at Marie's Wood Car-

ving studio on Main Street, Stockton, IL. She commented that in that short of time, she can have a six-year-old turning a block of wood into a bird.

Marie also does commission work. Marie commented that she loves the challenge and has yet to be given a project that she can't carve. She just recently completed her biggest challenge in crafting a wooden human spine for a local chiropractor. Marie stated that it was quite the project. She spent numerous hours studying the human spine in addition to the 100 hours involved in carving it assuring that it looked exactly like that of the human spine.

It will be a day you won't want to miss...perhaps a new skill on the horizon for our seniors. Please join us on Thursday, Nov. 9, at 2 p.m. at Calvary for our SOS woodcarving demonstration. Following the program, the group will enjoy delicious refreshments provided by the seniors along with some good fellowship time.

All seniors of the area are cordially invited to this informative meeting. SOS+ is an outreach ministry with the purpose of providing educational and entertaining programs and a time of fellowship that are free to all seniors of Stockton and surrounding areas (SOS+). We extend a cordial invita-

tion to all. The meeting starts at 2 p.m. at Calvary United Methodist Church's Fellowship Hall. In its 13th year, SOS+ is made up of area volunteers from all our area churches. Volunteers are always welcome. If you would like be a part of the committee that plans the monthly programs or if you have a program or talent you would like to share, please let us know.

For more information on SOS+, please feel free to call Mary Feltmeyer 815-297-5425, Nancy Rice 815-947-3683 or Shirley Toefer 815-947-3639. If you are in need of a ride to the church, we would be more than happy to accommodate you. Please call.

# Everyone wants more energy

COMPILED BY DR. MIKE WAMPFLER DC

Everyone wants more energy. Chiropractic helps men, women, and children of all ages improve energy reserves by reducing stress, removing interference from the nervous system, and restoring proper muscle function and hormone balance. Chiropractic patients regularly report benefits that seem unrelated to the spine. Scientific research proves that positive health benefits achieved through the influence of a Chiropractic adjustment go far beyond back and neck pain.

These outcomes stem from the intimate connection between the spine and central nervous system. Adequate energy levels allow for productivity, activity and sustained concentration. Long or reoccurring periods of low energy impact everything from employment to relationships. Parents need energy to raise their children. Children need energy to focus in school. Daily tasks require consistent output and maximized use of the body's ability to generate positive energy. Millions of dollars change hands every single

day from an energy hungry population into the hands of manufacturers who specialize in the production of artificial energy. People experience anxiety and disdain for time wasted through listless afternoons and mental fatigue. Energy drinks, supplements, and other chemical concoctions become a dependent part of too many lifestyles. Chiropractic care provides a safe, healthy alternative to those chemicals and additives through a number of natural avenues. An adjustment reduces unnecessary stress on muscle attached to spinal bones. A misaligned vertebra forces protective contractions by muscles that work to prevent bones from becoming more misaligned. Even the slightest misalignment taxes energy levels until normal motion and alignment return, which will not happen on its own. Those same misalignments go a step further and disrupt brain to body communication. Nerve interference impacts the sensitive relationship between the body and the central nervous system.

Hormones become imbalanced

and adrenal glands activate and exhaust energy. Research from 2014 determined that spinal adjustments improve spinal movement and minimize nervous system interference while reducing stress hormones in the blood. Sleep also serves as an instrumental part of the energy building process. Sleep alone does not necessarily benefit the body as much as improved sleep quality (quality over quantity-every time). Reduced stress in the spine creates a better balance in hormones, naturally producing better sleep quality. Chiropractic patients report improved sleep quality as one of the most common side effects of spinal correction. Chiropractic care plays a critical role in serving the intimate connection between the brain and central nervous system. Reducing stress in the body's physical and chemical makeup produces improved energy levels in all ages. Life need not be fueled by artificial chemicals and substances that torment the digestive system and provide no long term solution. Just Imagine how your body would function with 10, 20, 50 or even 90% better nerve flow. Unlocking a more energetic future begins with Chiropractic.

The Journal of Orthopaedic and Sports Physical Therapy - April 2014 "Changes in biochemical markers of pain perception and stress response after spinal manipulation."

## SHARING CONFIDENCE

Chris Brooks knows your life's mission doesn't end with retirement. From family life and helping the developmentally disabled to representing his alma mater Monmouth College, people still rely on him. "I've been an OSF patient since 1996. They discovered I was pre-diabetic and anemic. They fixed my hand so I could keep playing the drums. OSF is part of the community. They are us. There's a trust factor that just gives me a lot of confidence in my health. And that allows me to keep doing what I love."

The Warren Girls Basketball teams receive a check for \$1,200 from Peggy Harmston for harvesting grapes at Massbach Ridge Winery in September.

## Area organizations receive funds for helping with Massbach Ridge harvest

A dozen area organizations earned their portion of nearly \$8,000 by picking grapes for Massbach Ridge Winery this September.

"We love to see the people from the area each year come out and enjoy themselves in the vines helping us bring in the harvest," says thrilled owner and winemaker Peggy Harmston.

"Many years ago, we started recruiting groups who were looking to fundraise and asking them if they would be willing to help us pick grapes in return for a donation. It has been going so well that some organizations have been helping us for almost ten years."

On their chosen day (mostly weekends), volunteers are asked to arrive at the vineyard on Massbach Road at 7am. Each person is given a plastic picking tool and a bucket. Over 15 acres of grapes are harvested this way producing close to 50 tons of grapes.

"Most mornings, grapes are being pressed as we are picking

so there is juice for kids to enjoy the fruits of their labor. For adults helping all morning, wine with their lunch is their reward. Lunch made by 'The Grandma's' is enjoyed by everyone!"

Among the groups receiving donations were the Warren Girls Basketball teams; Pearl City Junior Class; Stockton Music Boosters; Pearl City Spanish Club; Savanna Food Pantry; Chestnut Ski Team; GW3Youth Group; and the Freeport Dyslexia Center

Massbach Ridge Winery produces over a dozen different wines from the grapes grown adjacent to the winery. A few estate-grown wines made from this grape vintage will be release before Thanksgiving.

Massbach Ridge Winery is open daily and is located at 8837 S. Massbach Rd Elizabeth, IL 61028 or visit the tasting room in downtown Galena at 117 S. Main St. Detailed directions can be found at [www.MassbachRidge.com](http://www.MassbachRidge.com) or by calling 815-291-6700.

# Lena-Winslow dominant in second-round win

By Chris Johnson  
REPORTER

The Milledgeville Missiles had a great year in the NUIC-Upstate. They were 7-2 and had lost to the eventual conference champion, undefeated Stockton, by only two points. They fell to Freeport Aquin, but took down every other team they faced during the regular season. They battled with Aquin and Stockton for top honors in the conference, even into the final weeks of the season. They were deserving of the chance to play post-season football.

However the team they had to face and eventually succumb to was the number one team in the State and the number one scoring offense in the Class 1A World. If they wanted to go into the playoffs they were probably going to end up running into a team like Lena-Winslow and as a result probably suffer a loss similar to the one they did on Saturday, Nov. 4. The Panthers pounded the Missiles down in a 49-16 decision. The run-

ning clock was already guaranteed in the second half, even before the game had reached the midway point of the second quarter.

Rahveon Valentine made sure the Upstate representative understood what playing in the Northwest meant. He broke through the line and scurried 67 yards for the score at the 9:49 mark in the opener. About five minutes later Isaiah Bruce worked a 21-yard strike into another six points. Three minutes later Sean Ormiston ran one in from three yards out. At the end of the first quarter the Panthers were in front 21-0.

There was a lot more offense setting up for Lena-Winslow in the second. Bruce and Chrisman connected again on a 40-yard play, 15 seconds into the second. Barely more than a minute later Eli Lingle took down a Milledgeville air-offering and ran it back 55-yards for the defensive score. The lead was 35-0 Lena-Winslow with 10:40 in the second. The Panthers put a final tally on the board in the period.

At the 6:02 mark Gaige Schwartz scored on a 42-yard run. Ormiston ran the two-point play in and the lead jumped to 43-0, assuring the non-stop clock would start at the snap in the third. Lena-Winslow went on to win 49-16 and faces Freeport Aquin in Bulldogs Country this week in the Class 1A Quarterfinal.

Milledgeville played about as well as they could. They fought for the right to get to the post-season and won their opening round game to get to the round two meeting with the State's top-ranked 1A program. They were over-matched, due to season experience.

The Missiles didn't have to face playoff teams like Lena-Winslow,

Dakota, Forreton, West Carroll or EPC this year. Their schedule was a little easier. In the Northwest, most offenses rely on pounding the line and controlling the clock. Fast strike offense are apparent on most Northwest squads and that is why the NUIC-Northwest has claimed every championship, but one, since the 2011 season.

## Stockton toppled by final minute assault

By Chris Johnson  
REPORTER

In the end the Stockton Blackhaws couldn't find enough defense to stop the Freeport Aquin Bulldogs and fell in the Class 1A second-round 21-14. The Saturday loss pushed the Bulldogs into a round three meeting at home, against the State of Illinois' top-ranked team, Lena-Winslow.

Both teams experienced gaps in offensive production in the first period of play in the 1A second-round meeting. The ball was pushed along on the ground and a few passes kept the chains moving at times, but nothing could be added to the stat sheet. The first period ended with the scoreless total in place.

The host Blackhaws finally got something moving and stuck in the second. They had to work nearly the whole period to get it done though. The six-point score would be all either team would collect. At the intermission, the four-seed had the 6-0 edge on the five.

Aquin began relying on the pass a whole lot more in the third quarter and it proved to be the answer. Starting quarterback Jonah Diemer was not able to play. He was injured at an earlier practice so the reigns were handed down to junior quarterback Cooper Arndt. It was a fortunate move as chemistry began with freshman receiver Ty Stykel. The Bulldogs started taking control. Aquin put its first score on the board on a pass across the middle and dropped in a second, after taking advantage of an errant Blackhaws pass. Stykel took the pass just past the pylon in the front right corner of the end zone. The lead grew to 14-6 Aquin.. Stockton responded.

Blackhaws quarterback Luke Huschitt got the job done. He powered between his center and tackle and powered it across the goal line. Elijah Rowe completed the eight-point play, tying the game up at 14. Aquin got the ball back, with a little over a minute to go in the game.

It only took a pass. Arndt found

Bryce Carlson on a swing pass right. The 80-yard touchdown run after catch and ensuing extra point attempt gave the Bulldogs the 21-14 edge. It would be enough. Stockton's final shot would fall away as the season came to a close with an 8-3 mark.

Freeport Aquin moves on to this weekend's home meeting with the number one team in the Class 1A realm. The Lena-Winslow Panthers pushed a running clock on Upstate-familiar Milledgeville on their way to a 49-16 decision.

The winner from this weekend's State Quarterfinal will advance to next week's Class 1A Semi-Final against either the defending Class 1A State Champion Forreton Cardinals or ten-seed Princeville, who has upset its way to its first third-round game since the 2008 season. If Forreton defeats Princeville, it is a guarantee that the NUIC will once again be represented in the State of Illinois Class 1A Title Game in two weeks in DeKalb.

## Gov. Rauner declares harvest emergency lifting highway weight restrictions

WHEREAS, Illinois agriculture produces foodstuffs that feed the world, creates prosperity in Illinois' rural economy, and provides jobs and income to hard-working Illinoisans on more than 72,000 farms stretching over 26.7 million acres; and

WHEREAS, Spring rains delayed planting in areas of the State and recent Fall rains have further delayed harvest; and

WHEREAS, a crop with higher moisture content requires more trips to transport the crop, which reduces efficiency and causes more traffic on Illinois roads; and

WHEREAS, Illinois' corn crop harvest is 11 percentage points behind its 5-year average as of Oct. 29, 2017, according to the most recent USDA-NASS Illinois Crop Progress & Condition Report; and  
WHEREAS, Illinois' lagging

corn harvest and delayed harvests of other crops are concentrated in multiple reporting districts throughout the State, including the Northwest, Northeast, and East regions which are significantly behind both the state-wide average for the current year and the same-region average for previous years; and

WHEREAS, the State's vehicle weight restrictions necessitate frequent trips for commodity transportation purposes, which could further delay the transportation of corn from the field to the market or storage in already lagging regions; and

WHEREAS, Illinois' surrounding states provide either by law or by proclamation for increased weight limits for vehicles carrying agricultural commodities, which increases efficiency in the crop transportation process; and  
WHEREAS, Section 15-301(e-

1) of the Illinois Vehicle Code (625 ILCS 5/15-301(e-1)) allows the Governor to declare that an emergency harvest situation exists, which allows vehicles, with a permit from the Department of Transportation, to exceed the maximum axle weight and gross weight limits by 10% on federal and State highways under the jurisdiction of the Department of Transportation, excluding interstate highways.

THEREFORE, I, Bruce Rauner, Governor of the State of Illinois do hereby proclaim that, for forty-five (45) days after the date of this Proclamation, an emergency harvest situation exists for the transportation of all agricultural commodities from the field to market or to storage on federal and State highways under the jurisdiction of the Department of Transportation, excluding interstate highways.

# FROM LENA'S KITCHEN

Halloween was mighty chilly this year. The trick or treaters had to wear coats either over or under their costumes. It didn't stop them from coming out to parade around town. This week starts out damp for us. I know our farmers want some sun so they can get those crops in. This week's recipes will feature some recipes for Thanksgiving and some just for a change.

The first recipe would be a great Thanksgiving side salad. The shredded Brussels sprouts and apples have a great combination flavor. This recipe is a good way to serve a different kind of salad rather than just plain coleslaw.

## Honey Mustard Brussels Sprouts Slaw

½ C. thinly sliced red onion  
3 T. apple cider vinegar, divided  
1 T. sugar  
1/8 t. crushed red pepper  
2 T. honey  
1 T. Dijon mustard  
½ t. salt  
½ t. pepper  
1 lb. Brussels sprouts, trimmed and shredded  
1 C. thinly sliced Granny Smith apple

In a small saucepan, bring onion, 2 tablespoons vinegar, sugar, and red pepper to a boil over medium heat. Cook, stirring frequently, until onions are soft and liquid has thickened, about 4 minutes. Remove from heat, and let cool completely.

In a large bowl, whisk together honey, mustard, salt, black pepper and remaining vinegar until well combined. Stir in sprouts, apple and onion mixture until well combined. Serve immediately.

Need a nice warm up soup? This recipe is for you. You can skip the dry sherry and add the equivalent of the sherry with chicken broth. Enjoy this great warm up soup on a chilly fall evening; it will be great

this winter also.

## Cream of Chicken and Wild Rice Chowder

1 C. dry wild rice  
8 oz. bacon, diced  
2 T. unsalted butter  
1 lb. boneless, skinless chicken breasts, seasoned with salt and black pepper  
8 oz. mushrooms, trimmed and sliced  
1½ C. diced onions  
½ C. diced celery  
½ C. carrot  
1 T. minced fresh garlic  
1/3 C. flour  
1 t. dried thyme  
½ C. dry sherry  
4 C. low sodium, chicken broth  
1½ C. half and half  
¾ C. sliced green onions  
¾ C. sliced almonds toasted

Cook the wild rice according to package directions. Cook bacon in a pot until crisp; transfer to a paper-towel-lined plate. Drain all but 2 tablespoons, drippings from pot. Melt butter with drippings in pot over medium heat. Add chicken and cook until browned, 5 minutes. Add onions, celery, carrot, and garlic; cover and sweat until vegetables slightly soften, 5 minutes. Stir in flour and thyme; cook 2 minutes. Deglaze pot with sherry, scraping up any brown bits. Cook until sherry is nearly absorbed, 2 minutes. Stir in broth and bring to a boil; reduce heat to medium-low and simmer chowder until thick, 10 minutes. Stir in half and half, chicken, and wild rice until heated through, 3-4 minutes; season chowder with salt and pepper. Top servings with scallions, almonds, and bacon.

If you are looking for a meat dish that will be different than turkey, this easy casserole is for you. You could use rotini, penne, or ziti pasta rather than wagon wheel pasta if you wish. The alfredo sauce in jars provides for an easy way to get this casserole made quickly. Enjoy the ham before the big turkey day!

## Ham and Broccoli Alfredo Bake

½ lb. wagon wheel pasta  
3 C. fresh small broccoli florets  
1 C. frozen sliced carrots  
2 jars (1 5oz. each) Alfredo sauce  
3 C. chopped ham  
1½ C. shredded mozzarella cheese, divided

to improve. They were 20-37 over the past two seasons and won only eight games last year.

For some of the "question mark teams" it isn't known if they will get everything together in time, to keep pace with those teams expected to take quick jumps right out of the gate. Stockton could find itself in good company early this season. They will start in Forrester next week as a participant in the season-opening Cardinals Invitational.

½ C. grated Parmesan cheese, divided

Preheat the oven to 350. Spray a shallow 3-quart baking dish with cooking spray. Bring a large stockpot of water to a boil over medium-high heat. Add the pasta and cook for 7 minutes. Add the broccoli; cook for 1 minute. Add carrots and cook for 1 minute. Drain well.

In a large bowl, stir together the pasta mixture, Alfredo sauce, ham, 1 cup mozzarella, and ¼ cup Parmesan until well combined. Spoon the mixture into the prepared pan. Spray a large piece of foil with cooking spray. Cover the casserole with foil, spray side down.

Bake until heated through, about 35 minutes. Uncover and sprinkle with remaining ½ cup mozzarella and remaining ¼ cup Parmesan. Bake until cheese is melted, about 5 minutes more. Let stand for 15 minutes before serving.

The next two recipes would be great Thanksgiving dessert treats. The first is a cupcake recipe, and the second is a much more elegant dessert cake. Both of the recipes start with yellow cake mixes, so prep time is cut in half. Enjoy these desserts on Thanksgiving or at any time.

## Pumpkin Caramel Cupcakes

1 pkg. yellow cake mix (regular size)  
1 can (15 oz.) pumpkin (not pumpkin pie)  
2/3 C. water  
¼ C. maple syrup  
3 large eggs  
4 t sugar  
4 t, ground cinnamon  
Dash of salt  
2 carton (16 oz.) caramel apple

dip

Preheat the oven to 350. Line 24 muffin cups with paper liners. Combine the first eight ingredients. Beat on low speed for 30 seconds; beat on medium 2 minutes.

Fill prepared cups three-fourths full. Bake until a toothpick inserted in the center comes out clean, 18-22 minutes. Cool in pans 10 minutes before removing to wire racks to cool completely.

Frost cupcakes with caramel apple dip. Decorate with piped chocolate frosting and/or chocolate chips.

## Pumpkin Torte

1 pkg. yellow cake mix (regular size)  
1 can (15 oz.) soiled pack pumpkin, divided  
4 large eggs  
½ C. milk  
1/3 C. canola oil  
1½ t. pumpkin pie spice, divided  
1 pkg. (8oz.) cream cheese, softened  
1 C. powdered sugar  
1 carton frozen whipped topping, thawed  
¼ C. caramel ice cream topping  
Pecan halves, toasted

Preheat the oven to 350. Line bottom of two greased 9-inch round baking pans with parchment paper; grease paper. Combine cake mix, 1 cup pumpkin, eggs, milk, oil and 1 t. pie spice; beat on low speed for 30 seconds. Beat on medium for 2 minutes. Transfer to prepared pans.

Bake until a toothpick inserted in center comes out clean, 25-30 minutes. Cool 10 minutes; remove from pans to wire racks. Cool completely.

Beat cream cheese until fluffy.

Beat in powdered sugar and remaining pumpkin and pie spice until smooth. Fold in whipped topping.

Using a long serrated knife, cut each cake horizontally in half. Place cake layer on a serving plate; spread with a fourth of the filling. Repeat three times. Drizzle with caramel topping; sprinkle with pecans. Store in the refrigerator.

The Panthers won and will get to play football again next week. We wish them well. The fall play is also coming up, and basketball practice begins. It is hard to believe one quarter of the school year is over. This Halloween Mason Street and Oak Street again had many, many little and big costumed people out on the chilly night. I, along with my neighbors on these streets, would like to thank the Village of Lena for providing extra people to help with traffic and crowd control. With the hundreds of people going up and down the street, having the extra patrol helps to keep the traffic slow and everyone more vigilant. The children were very polite and well behaved. Good job parents in training them for life after Halloween. It will take many of us on the streets to recover and save for next year. Thanksgiving is soon coming on us. We will be featuring some recipes for the holidays. We are also looking for Christmas recipes, cookies and breads, dressing and salads, and the interesting sides. If you have any new, old or interesting recipes to share, you can contact us in person, by mail, or email us at From Lena's Kitchens, *Shopper's Guide* at 213 S. Center St. or email scoopshopper@rvpublishing.com.

## Illinois launches statewide Silver Search Awareness campaign

A statewide public awareness campaign around the new Silver Search program opened this week. Sixty percent of those with Alzheimer's will wander at some point during their diagnosis. Silver Search is a new tool in Illinois to help train law enforcement agencies across Illinois on how they can help you when a loved one with dementia goes missing.

All new law enforcement officers will receive an expanded curriculum which includes warning signs to look for, communications skills and the criteria for a Silver Search, as well as procedures for activating a search. Over the next two years, approximately 2,500 officers and dispatchers will receive this training. Informational cards will also be distributed to every officer in Illinois. The public will also be trained on what to look for through radio and television PSAs, billboards, and social media marketing campaigns in both English and Spanish.

"It's important to educate the general public about this new pro-

gram," Erna Colborn, Alzheimer's Association Illinois Chapter Executive and Region 9 Leader said. "There are 220,000 people in Illinois living with Alzheimer's disease. I am so thankful to the Silver Search Task force for coming together and putting the safety of Illinois' most vulnerable citizens first."

When applicable, Illinois State Police will activate the Endangered Missing Person Advisory. This advisory will alert the public through IDOT highway signs and Illinois Lottery Terminals in addition to the Silver Search website and social media channels.

"In any missing person case, time is of the essence. Nowhere is that more evident than situations where persons with Alzheimer's or dementia go missing," Illinois State Police Director Leo P. Schmitz said. "The Silver Search program provides an avenue for a quick and efficient reaction to these types of high risk situations. This program is a game changer by enhancing the tools that law enforcement can uti-

lize to return this endangered population home safely," he continued.

After legislation backed by the Alzheimer's Association passed (PA 099-0322), the Silver Search Task Force was created. The Silver Search Task Force brings agencies and organizations together with the common goal of creating a Silver Search program and toolkit to assist in missing person cases involving those with Alzheimer's or dementia.

Members of this task force meet regularly to collaborate and utilize shared tools. Participating members of this task force are: Alzheimer's Association, Illinois State Police, Illinois Toll Highway Authority, Illinois Broadcasters Association, Illinois Association of Chiefs of Police, Illinois Department on Aging, Illinois Department of Transportation, AARP, Illinois Law Enforcement Training and Standards Board, Illinois Secretary of State, and Illinois Lottery.

The Silver Search public awareness campaign is made possible by the Tellabs Foundation.

## •Sessions (Continued from front page)

Mound could be question marks. The Lady Cougars were Regional Champs last season and have captured three first-round crowns since the 2011 season. They finished in third place in the State in 2014.

Scales Mound/River Ridge has the time to try to get everyone on the same page. They've got the talent to work with that should allow them to have a shot to finish better than recent sub .500 showings have indicated. The Lady Panthers are expected

# Around the Northern Hills with Jo Daviess County Farm Bureau Manager Annette Eggers

The Large Predator Program is THIS weekend! The Jo Daviess County Farm Bureau, in cooperation with the Jo Daviess Conservation Foundation and the Illinois Department of Natural Resources is holding a large predator workshop. This workshop will be held on Saturday, Nov. 11, from 1 to 5 p.m. at Woodbine Bend Golf Course. I hope you will take the time to come to this informative workshop. In addition, one of our speakers has asked us to circulate an anonymous survey to collect information. This is part of a research study looking at people's

perceptions of mountain lions (also referred to as cougars and pumas) and their range expansion in the United States. There are 20 questions, which should take 5 minutes to complete. Your answers will remain anonymous. Please go to the link: <https://www.surveymonkey.com/r/cougarnet> to take part in this survey.

Last week I wrote about the need for farm vehicle owners to get their UCR registrations done. This week we are being told to hold off on any Unified Carrier Filings. Here's the information that we received from Illinois Farm Bureau:

The Unified Carrier Registration (UCR) Board of Directors has announced that the start of the 2018 registration period will be postponed until further notice. They're still awaiting completion of the rulemaking process for 2018

fees by the Federal Motor Carrier Safety Administration (FMCSA).

The UCR board is recommending that the enforcement period for 2018 compliance not begin until 90 days after the final rulemaking is published. That decision could be up to the individual participating States, but we anticipate they'll follow the UCR board recommendation.

The board's announcement noted that, "Until further notice, please do not submit any carrier fees or forms for the 2018 registration year (online or paper forms). If received prior to the final rulemaking, your fees and forms will be returned."

**Ag Fun Fact:** One bushel of wheat will produce 73 one-pound loaves of bread.

## ISU College of Agriculture and Life Sciences awards annual scholarships

The College of Agriculture and Life Sciences at Iowa State University has awarded more than 2,250 scholarships to students for the 2017-18 academic year. Students interested in applying for scholarships should go to <https://www.scholarships.cals.iastate.edu> for more information and deadlines.

The Joseph Fleming Endowment Scholarship for the 2017-18 academic year was presented to Jacob Lawfer of Kent.

## The NED Show

October is nationally recognized as Bully Prevention Month. Throughout the month Stockton Schools have been addressing this important topic with a variety of events and activities. Bully prevention presentations have been provided to students by school social worker, Cory Walters and Riverview Center's community educator, Jordan Ripma. Elementary students also participated in a motivational assembly presented by The NED Show.

## Elizabeth Township Public Library celebrates Thanksgiving

Thanksgiving is just around the corner. Elizabeth Library is getting into the holiday spirit by asking people to come into the Library to paint,

color or animate a 'hand' turkey and write a note for what they are thankful for. These special turkeys will be posted for everyone's enjoyment.

As giving is a big part of the Thanksgiving holiday, the Library is requesting donations for the Elizabeth Food Basket so that everyone can enjoy a chance to gather around the table and share the traditional meal. There is a donation box at the library for the food items.

The Library will waive \$1 in overdue fines for each item donated.

## Teen Takeover at Warren Library

Inviting all high school age students. The Warren Township Public Library will be opening the library on Friday, Nov. 17, from 6 until 8 p.m. just for teens. The library will provide several table and card games, along with Ultimate Werewolf. Enjoy all you can eat pizza and drinks.

The Warren Township Public Library is located at 210 Burnett Ave. in Warren, Illinois. For more information, please contact Elizabeth at 815-745-2076 or find us on Facebook.

## Breed Family Team

Jim Breed of Elizabeth, IL, his son, Nathan, and his grandsons, Jett, age 12 and Bo, age 9 ran the "Meow Mile" road race in Oswego on Sunday, Oct. 29. They ran as the "Breed Family" team, competing in a field of 87 runners. Jett won the 1-mile race overall in a time of 5:22. Jim won the 70-74 year age group in a time of 9:13, Nate won the 40-44 age group in time of 6:38 and Bo placed third in the 8-11 year age group in a time of 6:37. The "Meow Mile," the "Fraidycat 5K" and the "Ghost Run 10K" are held each year to benefit a local charity, with this year's proceeds going to the Oswego Food Pantry. Jim is a retired pastor and college instructor, and works as an assistant track coach for River Ridge High School in the Galena - East Dubuque - River Ridge track and field co-op.

## Going orchestral

On October 5, William Intrilligator, the conductor of the Dubuque Symphony Orchestra, visited the Scales Mound third grade classroom. The third graders learned about the instruments of the orchestra, listened to and analyzed some orchestral music, learned about the composer Beethoven, and they even tried conducting.
