SHARING APPRECIATION

A motorcycle accident left Luke Masterson with multiple fractures in addition to internal injuries. The longtime rider had taken all of the necessary safety precautions the morning of his accident.

"I was just a little too complacent, a little too relaxed. And it cost me." If not for the crew of OSF Life Flight, Luke says he's not sure he'd be alive today. "I don't know if I would have made it without them. I'm glad they do what they do."
