BACK TO SCHOOL

It's that time of year again! For most families, going back to school is a GREAT time of year. New school supplies, clothes, and activities make everyone happy. For other families, going back to school is a struggle. The anxiety of figuring out homework, friends, and constant activity is overwhelming. In our office we see so many families that are looking for solutions to one or more of the following:

- Allergies to food & environment
- Anxiety
- Learning Disorders & Disabilities
- Autism
- Defiant or Aggressive Behavior
- Low Self-Image or Low Confidence Level
- Asthma
- Difficulty fitting in with peers
- Lack of respect for parents, siblings and teachers

During the month of August we will be collecting school supplies for students in the area.

Tuesday, August 28th at 7 p.m. we have invited several speakers to the office to talk about kids and chiropractic, nutrition and educational counseling. All 4 speakers have many years of experience working with kids and parents on these areas. Please R.S.V.P. by August 21st to save your spot.
