Protect yourself and your family with a flu shot!

Influenza ("flu") isn't anything to mess around with – it can be serious or even deadly for elderly people, newborn babies, and people who have certain chronic illnesses.

Help your body fight off the flu this year by getting a flu shot at one of FHN's flu shot clinics, open to the public at convenient locations across northwest Illinois.

If you are an adult under 65 years of age, you will get a quadrivalent vaccine for \$28.

If you're 65 or over, you will receive a high-dose version of the vaccine (\$62). There will be no out-of-pocket expense if you are covered by Medicare Part B (please present Medicare card) or a Medicare HMO accepted by FHN (there's a list available at each location; covered persons MUST present the Medicare HMO card instead of the Medicare card for the billing process).

All immunizations not covered by Medicare or a Medicare HMO must be paid for by cash or check payable to FHN. The prices shown here are only available at these flu shot clinics; other rates may apply in FHN offices. No other insurance coverage can be accepted at these flu shot clinics, and per government regulations, no Medicaid cards can be accepted at these locations.

Because of federal guidelines to prevent identity theft, everyone must present a photo ID to receive an immunization. Children can only be immunized if a written prescription from a physician indicating dosage is presented.

You should NOT receive a flu shot at any of these clinics if you:

- Are allergic to eggs or the flu vaccine
- Are ill or have a fever
- Have a depressed immune system

Please contact your healthcare provider or call FHN toll-free at 1-877-6000-FHN (1-877-600-0346) ext. 945 for assistance in finding a provider if you can't receive a vaccination due to the above restrictions.

For more information, visit www.fhn.org.

**LIGHT
TO THE
FIGHT!**

Early detection is the most effective weapon we have in the fight against breast cancer, so OSF HealthCare wants to make sure every woman 40 or older, or who is at high-risk for breast cancer, is getting a regular mammogram.

Our goal is to perform more than 1,000 mammograms by the end of October - Breast Cancer Awareness Month. When we hit our goal, we'll bathe the hospital in pink spotlights to shine a light on the community's commitment to fighting breast cancer.

As a bonus, every woman who gets a mammogram at OSF HealthCare now through October receives a free packable tote (while supplies last). Women getting their first mammogram also receive a voucher for a free chair massage at the Rejuvenation Center at OSF HealthCare Saint Anthony Medical Center.

Walk-in screening mammogram services at:

FAMILY FEATURES

Family gatherings like reunions, picnics and potlucks can bring fun, the chance to reunite with family and, of course, food and celebration.

This starter duo of Baked Onion, Goat Cheese and Sun-Dried Tomato Dip along with Orange Galette with Beet Gorgonzola Salad can get the celebration going.

To help mix things up, take a break from sandwiches. Chipotle Chicken and Bean Quinoa Salad Cups with Cilantro Lime Vinaigrette are a contemporary meal or snack alternative which kids and adults alike can enjoy. For a salad that feeds a crowd, try this Tex-Mex Layered Bean Salad, a tasty accompaniment for entrees from burgers to fried chicken.

Prep time: 30 minutes
Cook time: 15-20 minutes
Servings: 12
- 1 jar (16 ounces) Aunt Nellie's Sliced Pickled Beets
 - nonstick cooking spray
 - 1 sheet frozen puff pastry, approximately 16-by-11 inches
 - 1 tablespoon olive oil, divided

Bake until golden brown, about 15-20 minutes. Remove from oven; cool on wire rack.

Coarsely chop beets. In large bowl, toss together remaining orange segments, salad greens and chopped beets. Drizzle with remaining olive oil; toss gently to combine.
