# Help us bring LIGHT TO THE FIGHT!

Early detection is the most effective weapon we have in the fight against breast cancer, so OSF HealthCare wants to make sure every woman 40 or older, or who is at high-risk for breast cancer, is getting a regular mammogram.

Our goal is to perform more than 1,000 mammograms by the end of October – Breast Cancer Awareness Month. When we hit our goal, we'll bathe the hospital in pink spotlights to shine a light on the community's commitment to fighting breast cancer.

As a bonus, every woman who gets a mammogram at OSF HealthCare now through October receives a free packable tote (while supplies last). Women getting their first mammogram also receive a voucher for a free chair massage at the Rejuvenation Center at OSF HealthCare Saint Anthony Medical Center.

## Walk-in screening mammogram services at:

OSF Saint Anthony Women's Health Center  
5666 E. State St., Rockford, Illinois (in the North Tower)

OSF HealthCare Center for Health - Rock Cut  
9951 Rock Cut Crossing, Loves Park, Illinois

## Your Co-op is Your Community

Power in numbers is more than just a catch phrase. It's a way of building community. At your Touchstone Energy Cooperative, we are your energy community, and the power we provide is much more than a way to keep the lights on, it's how you plug into the family, friends and neighbors that make up your local co-op.

**Touchstone Energy Cooperatives.**  
Your source of power. And information.
