## Warriors fall to Pearl City

By Trenten Scheidegger  
SPORTS WRITER

The Warren Lady Warriors found themselves in another tough match for the 2019 season when they faced off with the Pearl City Wolves' volleyball squad. The Wolves came into Warren with a 16-13 overall record and a 5-5 conference record. The Warriors came in at 2-11 overall; however, both their wins came outside of conference play as their in-league record was just 0-6.

Warren would not let the numbers keep them from showing up to play well on their home court, however. Despite coming in as major under dogs, the Warriors would prove to be no easy opponent for the Wolves.

The first set featured a tight fought battle that ended with Pearl City getting the win by a score of 25-21.

The Wolves would get the win in

the second set with a similar score of 25-19, giving them the 2-0 victory last Wednesday.

Despite having a rough season, the Warriors have showed up to compete well in each and every one of their games, and that is something for them to be proud of.

Warren was led offensively by Claire Riedl, who had four kills and a pair of aces on the night. She also had nine digs in a solid, all-around performance. Sydni Sigafus was impressive, as we've come to expect, as she led the team with six kills of her own. Allison Heller had nine digs which tied for the team lead and Emilie Slichenmeyer tacked on seven of her own digs.

The Lady Warriors will wrap up the end of their regular season with an away matchup against Stockton this Thursday.

## Wildcats recognize seniors

By Trenten Scheidegger  
SPORTS WRITER

Last Friday night the River Ridge Wildcat's football team hosted Danville Schlarman for their Senior Night. Prior to kickoff they took the time to recognize their four seniors, Dalton Wachter, Dylan Landwer, James Allen, and Joseph Diaz.

It was a windy, chilly night but the team gave their seniors something to cheer about once again when it was all said and done. The Danville – Schlarman Hilltoppers came in with a 4-2 record while the Wildcats sat at 5-1.

Despite the weather, this one still turned out to be an offensive shootout as the teams combined for an early 26 total points in the first quarter. The Wildcats held just a two point lead going into the second with a 14-12 lead.

The second quarter was even more heated as the teams combined for 32 with both of them scoring sixteen points. River Ridge held their two point lead at halftime, up 30-28.

The second half would be all Wild-

cats, however, as the defense had enough of this and would dominate the Hilltopper's offense for the remainder of the game.

Meanwhile the explosive Wildcat offense would remain strong as they continued to score in what would eventually turn out to be a 52-34 victory over Danville Schlarman.

The victory was big for the Wildcats as it pushed their record to 6-1, while remaining undefeated in conference play. They are now set up for an opportunity to fight for the championship of the 8 man freelance Conference.

The next game this Friday will be their most important of the season as they will have to travel to Polo for their week eight match up. The game holds a lot on the line as both teams are at the top of the conference. Polo has been perfect on the year, sitting at 7-0 overall, and should prove to be the Wildcat's toughest competition to date. Both teams are undefeated in conference play as well.

## Feed the hungry

Shepherd of the Hills is thankful for all the support given the steak fry by members of the church and friends and neighbors in the community who attended the event and purchased items at the silent auction and bake sale. Most of all, we're grateful for the opportunity to share our bounty with friends and neighbors who receive help from the food pantries. The proceeds of the Sept. 14, Steak Fry were distributed to seven local food pantries in a short ceremony involving representatives from the food pantries. The total distribution was \$3,500, and each food pantry received a check for \$500. Pictured for the receiving of the donations were the following people: (back row, left to right) Joyce Kent from Warren, Sally Toepfer from Apple River, Jeanne Ohms from Hanover, and Jim Webster from Galena; (front row, left to right) Larry Cording from Shepherd of the Hills Steak Fry Committee, Shirley Miller from Warren, Norma Schwirtz from Elizabeth, Sharon Madden from Stockton, and Rev. Jim Mehlretter, Pastor of Shepherd of the Hills. Not pictured was John Lange of East Dubuque. Following the distribution of checks, the food pantry representatives joined other guests at the weekly Shepherd's Table lunch.

# JDCF announces panel discussion on the local impacts of extreme weather

In late January, temperatures below 30 degrees Fahrenheit made it unsafe for us even to be outdoors. Then week after week of drenching spring rains prevented Illinois farmers from planting more than one million acres of corn, more than 10% of the state's normal crop. And these weather events capped off a decade which has set records for extreme weather. In 2010 and 2011 we were besieged locally with back-to-back 500-year floods which together caused millions and millions of dollars in damages to homes, property, and infrastructure, and in 2011, loss of life. Major floods followed in 2015 and 2017.

On Saturday, Nov. 9, the Jo Daviess Conservation Foundation (JDCF) invites you to a presentation and discussion on **EXTREME WEATHER: THE LOCAL COSTS AND WHAT WE CAN DO ABOUT THEM**. This program will take place from 1 to 4 p.m. at Woodbine Bend Golf Club, off of Route 20, just south of the village of Woodbine. The program is free to attend and RSVP's are not required.

We will kick off with presentations by the following speakers:

Justin Gehrts, meteorologist with KCRG-TV in Cedar Rapids and a Galena native, will talk about the science behind our increasing extreme weather events and give us a forecast of what may lie ahead. Steve Keeffer, Jo Daviess County Engineer, will talk about the county's infrastructure – the

costs now and in the future to keep our roads and bridges safe. Carrie McKillip, Illinois Extension Educator and chair elect of the Extension Disaster Education Network (EDEN), a national organization with 77 members including most of the country's land grant colleges, will speak on the ways that EDEN members are helping families, farms, and businesses reduce their vulnerability to disasters. And Joleen Jansen, an organizer of energy districts in Iowa and the program director of the Clayton County Energy District, will tell us how communities like ours are saving money while creating jobs by working together to transition to efficient, planet-saving, clean energy for all.

After the presentations, and a break for refreshments, JDCF executive director Steve Barg will moderate a panel discussion with our speakers, in which you are invited to participate with your questions and comments.

We wish to thank Apple River State Bank/First Community Bank of Galena for sponsoring JDCF's 2019 speaker series, and the Galena Gazette for providing photos and videos for this event.

At 12:30, right before the program, the winners of JDCF's biggest tree contest will be announced, featuring pictures of the winning trees. We hope you will plan to attend that as well!

## Stockton Heritage Museum offers 'History of Stockton Schools' program

In a reprise of our "schools" program, we will again present "History of Stockton Schools" on Tuesday, Oct. 29, at 7 p.m. at the Stockton Heritage Museum.

Learn the history of the Stockton School System including the evolution story of 39 country schools and the transition of Stockton Public School District 121 Community School District # 206.

Warren Dixon, Museum Board member and native of Pleasant Valley is our presenter. The 39 rural schools covered areas from Massbach, and Woodbine to Berreman, Thompson and Rush Town-

ships. In 1950-51 the Community Unit District # 206 was established.

Warren has researched photos, Bob Aubrey archives, and talked to folks who attended the rural schools. Warren himself attended Willow and Fitzsimons schools.

Please join us at this program full of history and interesting details. Any stories or photos you can share would be appreciated. We look forward to your presence. See you Oct. 29, at 7 p.m. at the Museum, at 107 W. Front Ave., Stockton.

## Enter Miss Merry Christmas and Jack Frost Contest

Enter your child (ages 4 to 8) in Stockton's holiday tradition. On Nov. 29, the Stockton Chamber of Commerce is hosting a special Festival of Lights event. There will be a kick-off parade, business windows decorated festively downtown, and we will light our Highway 20 Christmas tree.

On Dec. 7, the 31st annual Christmas Walk will take place. Two lucky children, one boy and one girl, will be selected to be our Miss Merry Christmas and Little Jack Frost. They will be crowned on Friday, Nov. 29, before the tree lighting ceremony and on Saturday, Dec. 7, they will help Santa and Mrs. Claus as they greet all the good little boys and girls in town. Each winner will receive a \$50 gift certificate.

A committee from the Chamber will select the finalists from all the entrants. Finalists' pictures will then be published in The Scoop and The Flash in mid November, along with a ballot for community voting. The viewers will choose the winners. It's easy to enter, just follow these instructions:

The deadline for photo submission is Monday Nov. 4. Provide the following information along with a photo:

- Child's name
- Age
- Birthday
- Parent's name
- Address

- Phone number
- Any fun facts about your child we should know

If you can email the photo entries to us at [stephaniemm22@yahoo.com](mailto:stephaniemm22@yahoo.com) that would be preferred or you may mail to Stockton Chamber of Commerce, P.O. Box 3 Stockton, IL

61085.

If you have any questions please call 815-275-0481. Photo entry deadline is November 4, 2019. Entries received after that date will not be eligible to participate. Thank you for making this year's Christmas Walk an even more amazing one!

# Highland's Career Services Coordinator helps students plan for future

As Highland's newly named Career Services Coordinator, Anthony Musso has short-term goals to become more integrated in the classroom to engage with the students. He plans to place more emphasis on the students on utilizing Career Ser-

vices at Highland Community College. He wants to assist them with resume building, interview preparation and explain the soft skills that employers are looking for so they can successfully land a job. Or, if they are planning to transfer

to a 4-year university, Musso wants students to have a head-start prior to their junior year.

Musso said he understands that visiting the Career Services Department is not the first thing on students' minds. Instead of taking the approach that seeing Musso comes through faculty referral, he wants to establish face-to-face interaction to reduce any intimidation, vulnerability, and hopefully, make a connection so students feel more enticed to visit the career services department.

"I think that community college offers great opportunity for students to explore their education and career interests," Musso said. "I want students to talk to me about their education goals and career paths in order to connect those two with a solid plan for their future."

Musso began his job at the College in September, having worked at Carpenter's Place, a homeless shelter in Rockford, where he was the Employment Case Manager.

Musso is from Rockford, attended Rock Valley College, and earned

a Bachelor of Science Degree in Management, with an emphasis in Human Resources from Northern Illinois University. He also has a certificate in Social Entrepreneurship. He is currently working on a Master's degree in Social Work through Aurora University.

## Highland unveils Use of Force Simulator for Criminal Justice program

Highland Community College will unveil a new educational grade use of force simulation training system on Tuesday, Oct. 22 at 3:15 p.m. in the Marvin-Burt Liberal Arts Center, Building M, Room M-120 at Highland Community College, 2998 W. Pearl City Rd., Freeport, Ill.

The use of force simulator is a training system to help students achieve skills necessary to work in the field, which is a priority of the Criminal Justice program at Highland. This equipment also serves as a promotional and recruitment tool, and supports field training opportunities for community law enforcement agencies.

Jennifer Roser, a Criminal Justice instructor, said the Use of Force simulator enhances the program and creates more hands-on learning opportunities for the students. Criminal justice instructors will utilize the simulator within their courses to gain the ability to have the equipment enhance the program, and create more hands-on learning opportunities for the students.

"The equipment enhances education in ethics, law, law enforcement, along with developing communication and critical thinking skills," Roser said. "Students have just started utilizing the equipment this semester and are practicing verbal communication and critical thinking skills. Students are learning how quickly situations can escalate and potentially become dangerous while working in various capacities in this field. As a class, we evaluate the scenarios and discuss if situations can be handled differently."

The Highland Criminal Justice program prepares students for rewarding careers with local, county, state, or federal law enforcement agencies, correctional institutions, courtrooms, and other criminal justice agencies. The Criminal Justice field is service-oriented, and it is the program's responsibility to assure that qualified students receive proper education and readiness for the field.

The simulator was funded through a Highland Community College Foundation gift.

## Highland Foundation Legacy Gala extends ticket opportunity

The Highland Community College inaugural Legacy Gala is on Saturday, Nov. 2 at the Wagner House in Freeport, with the presentation of the first-ever HCC Legacy Lifetime Achievement award.

At the Legacy Gala, the HCC Foundation will recognize individuals and corporate partners that demonstrate a shared responsibility in transforming the lives of the students through an accessible, affordable, and rigorous learning experience. The fundraising event continues with the traditional dinner, entertainment, silent auction as well as the \$5,000 in five minutes for the H.O.P.E. student emergency fund.

The evening highlights the first presentation of the HCC Legacy Lifetime Achievement Award. The award honors an individual who has made a lasting impact on Highland Community College and its success. The 2019 inaugural recipient is Del Scheider, one of the "founding fathers" of HCC, and a lifetime member of the HCC Foundation Board of Directors.

The venue will seat 330 guests and early registration is encouraged. There will be a seated dinner on the third floor, followed by a formal program. A silent auction and live entertainment will be featured on the second floor of the Wagner House. Funds raised from the Legacy Gala will be directed to the highest and greatest needs of the College.

### ORDINANCE #2019-1015 AN ORDINANCE AUTHORIZING THE VILLAGE OF ELIZABETH, JO DAVIESS COUNTY, ILLINOIS TO BORROW FUNDS FROM THE PUBLIC WATER SUPPLY LOAN PROGRAM

**WHEREAS**, the Village of Elizabeth, Jo Daviess County, Illinois operates its public water supply/waterworks system ("the System") in accordance with the provisions of 65 ILCS 5/11-139-1, et. seq., and the Local Government Debt Reform Act, 30 ILCS 350/1 (collectively, "the Act"), and

**WHEREAS**, the President and Board of Trustees of the Village of Elizabeth ("the Corporate Authorities") have determined that it is advisable, necessary and in the best interests of public health, safety and welfare to improve the System, including the following:

*Water system improvements entailing the replacement of roughly 2300 lf of undersized water mains along Catlin Street, Locust Street and Madison Street, along with associated storm sewer, sidewalk and roadway replacement, and other appurtenances. The Village will also be making improvements to Well #1, located on North Main Street.*

together with any land or rights in land and all electrical, mechanical or other services necessary, useful or advisable to the construction and installation ("the Project"), all in accordance with the plans and specifications prepared by consultants of the Village of Elizabeth, which Project has a useful life of 25 years; and

**WHEREAS**, the estimated cost to purchase and install the Project, including engineering, legal, financial, administrative and other related expenses is \$1,482,800, and there are insufficient funds on hand and lawfully available to pay these costs; and

**WHEREAS**, in accordance with the Procedures for Issuing Loans from the Public Water Supply Loan Program Title 35 Ill. Adm. Code Part 662, Section 662.210 Fixed Loan Rate, the Village meets the criteria for the Small Community and Financial Hardship Interest Rate thereby qualifying for a fixed interest loan of 1%; and

**WHEREAS**, in accordance with the Procedures for Issuing Loans from the Public Water Supply Loan Program Title 35 Ill. Adm. Code Part 662, the Vil-

lage meets the Disadvantaged Community Principal Forgiveness and is eligible to have up to 60% of the Project costs be forgiven by the State of Illinois pursuant to principal loan forgiveness provisions; and

**WHEREAS**, the principal and interest payment shall be payable semi-annually, and the loan shall mature in 25 years, which is within the period of useful life of the Project; and

**WHEREAS**, the costs are expected to be paid for with a loan to the Village of Elizabeth from the Public Water Supply Loan Program through the Illinois Environmental Protection Agency, the loan to be repaid from revenues of the System and the loan is authorized to be accepted at this time pursuant to the Act; and

**WHEREAS**, in accordance with the provisions of the Act, the Village of Elizabeth is authorized to borrow funds from the Public Water Supply Loan Program in the aggregate principal amount of \$1,750,000 to provide funds to pay the costs of the Project;

**WHEREAS**, the loan to the Village of Elizabeth shall be made pursuant to a Loan Agreement, including certain terms and conditions, between the Village of Elizabeth and the Illinois Environmental Protection Agency;

**NOW THEREFORE**, be it ordained by the Corporate Authorities of the Village of Elizabeth, Jo Daviess County, Illinois, as follows:

#### SECTION 1. INCORPORATION OF PREAMBLES

The Corporate Authorities hereby find that the recitals contained in the preambles are true and correct, and incorporate them into this Ordinance by this reference.

#### SECTION 2. DETERMINATION TO BORROW FUNDS

It is necessary and in the best interests of the Village of Elizabeth to construct the Project for the public health, safety and welfare, in accordance with the plans and specifications, as described; that the System continues to be operated in accordance with the provision of the Act; and that for the purpose of constructing the Project, it is hereby authorized that funds be borrowed by the Village of Elizabeth in an aggregate principal amount (which can include construction period interest financed over the term of the loan) not to exceed \$1,750,000.

#### SECTION 3. PUBLICATION

This Ordinance, together with a Notice in the statutory form (attached hereto as Exhibit "A"), shall be published once within 10 days after passage in *The Scoop*, a newspaper published and of general circulation in the Village of Elizabeth, and if no petition signed by electors numbering 10% or more of the registered voters in the Village of Elizabeth (i.e., 50) asking that the question of improving the System as provided in this Ordinance and entering into the Loan Agreement therefore be submitted to the electors of the Village of Elizabeth, is filed with the Village of Elizabeth Village Clerk within 30 days after the date of publication of this Ordinance and notice, then this Ordinance shall be in full force and effect. A petition form shall be provided by the Village Clerk to any individual requesting one.

#### SECTION 4. ADDITIONAL ORDINANCES

If no petition meeting the requirements of the Act and other applicable laws is filed during the 30 day petition period, then the Corporate Authorities may adopt additional ordinances or proceedings supplementing or amending this Ordinance providing for entering into the Loan Agreement with the Illinois Environmental Protection Agency, prescribing all the details of the Loan Agreement, and providing for the collection, segregation and distribution of the revenues of the System, so long as the maximum amount of the Loan Agreement as set forth in this Ordinance is not exceeded and there is no material change in the Project or purposes described herein. Any additional ordinances or proceedings shall in all instances become effective in accordance with the Act or other applicable law. This Ordinance, together with such additional ordinances or proceedings, shall constitute complete authority for entering into the Loan Agreement under applicable law.

However, notwithstanding the above, the Village of Elizabeth may not adopt additional ordinances or amendments which provide for any substantive or material change in the scope and intent of this Ordinance, including but not limited to interest rate, preference, or priority of any other ordinance with this Ordinance, parity of any other ordinance with this Ordinance, or otherwise alter or impair the

obligation of the Village of Elizabeth to pay the principal and interest due to the Public Water Supply Loan Program without the written consent of the Illinois Environmental Protection Agency.

#### SECTION 5. LOAN NOT INDEBTEDNESS OF THE VILLAGE OF ELIZABETH

Repayment of the loan to the Illinois Environmental Protection Agency by the Village of Elizabeth pursuant to this Ordinance is to be solely from the revenue derived from revenues of the System, and the loan does not constitute an indebtedness of the Village of Elizabeth within the meaning of any constitutional or statutory limitation.

#### SECTION 6. APPLICATION FOR LOAN

The Village of Elizabeth President is hereby authorized to make application to the Illinois Environmental Protection Agency for a loan through the Public Water Supply Loan Program, in accordance with the loan requirements set out in 35 Ill. Adm. Code 662.

#### SECTION 7. ACCEPTANCE OF LOAN AGREEMENT

The Corporate Authorities hereby authorize acceptance of the offer of a loan through the Public Water Supply Loan Program, including all terms and conditions of the Loan Agreement as well as all special conditions contained therein and made a part thereof by reference. The Corporate Authorities further agree that the loan funds awarded shall be used solely for the purposes of the project as approved by the Illinois Environmental Protection Agency in accordance with the terms and conditions of the Loan Agreement.

#### SECTION 8. RESERVE ACCOUNTS

The Village of Elizabeth does not contemplate establishing any reserve accounts because it does not have any revenue bonds outstanding that would be superior or senior to the debt obligation contemplated herein.

#### SECTION 9. AUTHORIZATION OF VILLAGE OF ELIZABETH PRESIDENT TO EXECUTE LOAN AGREEMENT

The Village President is hereby authorized and directed to execute the Loan Agreement with the Illinois Environmental Protection Agency. The Corporate Authorities may authorize by resolution a person other than the President for the sole purpose of authorizing or exe-

cuting any documents associated with payment requests or reimbursements from the Illinois Environmental Protection Agency in connection with this loan.

#### SECTION 10. SEVERABILITY

If any section, paragraph, clause or provision of this Ordinance is held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

#### SECTION 11. REPEALER

All ordinances, resolutions or orders, or parts thereof, which conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

PASSED by the Village Board of Trustees of the Village of Elizabeth, Jo Daviess County, Illinois on October 15, 2019.

# From Lena's kitchen

We are finally getting some dry weather. The air is crisp, but when the sun stays out, we get a little warming too. I know our farmer friends are in the fields as long as they can be. I actually saw some dust (it probably was the corn stalks, but at least it was flying!), so I think they are getting some of the crops in. We are continuing our fall recipes this week.

This hot cheese dip has a little kick with the sliced pepperoni in it. Enjoy it at a football party or on the holiday appetizer table.

## Hot Cheese Dip

2 C. shredded mozzarella  
2 C. shredded cheddar cheese

2 C. Mayonnaise  
1 medium onion, minced  
1 can (4 to 4.5 oz.) chopped green chilies, drained  
½ C. sliced ripe olives  
1½ oz. sliced pepperoni  
Crackers and fresh vegetables

Preheat the oven to 325. Combine the first five ingredients; spread into greased shallow baking dish or pie plate. Top with olives and pepperoni. Bake until bubbly, about 25 minutes. Serve with crackers and fresh vegetables.

I mentioned last week that Brussels Sprouts are the new vegetable, and this recipe is an easy one. If you use a man-

dolin on the sprouts, it will slice them very thin. The addition of nuts and raisins make this a yummy side. The pears add a special taste. If you don't have a chunk of parmesan to shave, you can use shredded parmesan. The taste won't be as sharp.

## Pear and Brussels Sprouts Salad

½ lb. thick-cut bacon, chipped  
1 t. cider vinegar  
¼ t. pepper  
1 lb. Brussels sprouts, trimmed and thinly sliced  
1 C. walnuts, roughly chopped  
1 C. golden raisings  
½ C. shaved Parmesan cheese

2 pears, thinly sliced

In a large skillet, cook bacon over medium heat until crisp. Remove bacon using a slotted spoon, and let drain on paper towels, reserving drippings. In a large bowl, whisk together reserved bacon drippings, vinegar, and pepper. Stir in sprouts, walnuts, raisins, and cheese until well combined; top with pears and bacon just before serving.

If you are cooking for a non-meat eater, this lasagna will help you serve a main dish that even meat eaters will like. The use of several different vegetables gives it a hearty taste that fills everyone up.

## All Veggie Lasagna

2 C. cottage cheese  
1 carton (15 oz.) ricotta cheese  
2 T. minced fresh parsley  
1 jar (26 oz.) Prego traditional spaghetti sauce  
9 uncooked lasagna noodles  
2 medium carrots, shredded  
1½ C. broccoli florets  
4 oz. fresh mushrooms, sliced  
1 small zucchini, thinly sliced  
1 small yellow summer squash, thinly sliced  
2 C. fresh spinach  
2 C. shredded mozzarella cheese

Preheat oven to 350. Combine the cottage cheese, ricotta and parsley. Spread ½ C. spaghetti sauce in a 9 x 13 pan coated with cooking spray. Top with three noodles and a third of the cheese mixture. Sprinkle with half the carrots, broccoli, mushrooms, zucchini and squash. Top with a third of the remaining sauce. Arrange half the spinach over the spaghetti sauce, sprinkle with a third of the mozzarella cheese. Repeat layers of noodles, cheese mixture, vegetables, sauce, spinach and mozzarella. Top with the remaining noodles, cheese mixture, sauce and mozzarella. Cover tightly and bake 45 minutes. Uncover; bake until lasagna noodles are tender, about 15 minutes longer. Let stand 15 minutes before cutting.

This is an easy casserole because you can use a jar of chicken gravy and rotisserie chicken. If you can't find the seasoned panko bread crumbs, the Italian seasoned ones will work.

## Broccoli, Chicken, and Wild Rice Casserole

2 C. shredded, cooked chicken  
2 C. cooked long grain rice  
2 C. chopped fresh broccoli  
1 jar (12 oz.) chicken gravy  
1½ C. shredded five cheese blend, divided  
½ C. seasoned panko bread crumbs  
1 T. butter melted

Preheat the oven to 425. Combine the chicken, rice, broccoli, gravy and 1 cup cheese. Spoon into an 8-inch square baking dish sprayed with cooking spray; top with remaining cheese. Mix bread crumbs and butter until blended; sprinkle over casserole. Cover and bake 25 to 30 minutes or until heated through, uncovering after 15 minutes.

This is a very easy apple cake that will make just enough to serve warm as a dessert. You won't be eating it for a week if you have only a couple of people to serve. You can use pecans instead of walnuts if you desire.

## Apple Crumb Cake

1½ C. chopped Granny smith apples  
½ C. packed brown sugar, divided  
2 t. cinnamon, divided  
2 1/3 C. flour divided  
1 t. baking powder  
¼ t. baking soda  
1½ C. butter, softened, divided  
1 C. sugar, divided  
2 eggs  
2/3 C. sour cream  
1 t. vanilla  
½ C. chopped walnuts toasted  
Preheat the oven to 350. Toss apples with ¼ cup brown sugar and 1 t. cinnamon. Combine 1¼ C. flour, baking powder, and baking soda in a separate bowl. Whisk to combine. Beat 1/3 C. butter, 1/3 C. white sugar in a large

# Alzheimer's Disease and Dementia Workshop

The annual Alzheimer's Disease and Dementia Workshop is scheduled to take place Nov. 6, at United Methodist Church, 2227 4th Street, in Monroe, WI. Registration begins at 8:30 a.m. and the final session concludes at 3:30 p.m. This resource for family members, direct care workers and professionals is sponsored by the Aging and Disability Resource Center (ADRC), the Alzheimer's & Dementia Alliance of Wisconsin and Monroe Clinic.

This year's speaker is Dr. Nathaniel Chin, a board-certified in-

ternist, geriatrician and Assistant Professor of Geriatric Medicine at the University of Wisconsin School of Medicine and Public Health. Dr. Chin's father was diagnosed with early onset Alzheimer's Disease, which influenced his career path to become a geriatrician and scientist focused on dementia. His presentation is entitled, "Healthy Living for Your Brain and Body" and will touch on how lifestyle choices have significant impacts on brain health.

The day-long event will also feature sessions on music and memory, resident advocacy, proactive ap-

proaches to behavioral expressions and caring for the caregiver. Break-out sessions will cover topics such as caregiver resources, caregivers sharing experiences and palliative, home and hospice care.

Family caregivers may attend courtesy of the ADRC, while there is a \$30 fee for professionals and direct caregivers. Lunch is included. Register by calling the ADRC at 608-328-9499. Onsite respite care is available at no cost through the Hand in Hand Adult Day center. Please call for respite care arrangements by Friday, Nov. 1.

bowl with mixer until light and fluffy. Add eggs, sour cream and vanilla; mix well. Gradually add dry ingredients, mixing well after each addition. Stir in apple mixture. Spoon into a greased and floured 9-inch round pan.

Melt remaining butter. Add to combined remaining sugars, cinnamon and flour in medium bowl; mix well. Stir in nuts and sprinkle over batter. Bake 45 to 50 minutes or until toothpick inserted in center comes out clean. Cool cake 10 minutes. Remove from pan to wire rack and cool completely.

If you are looking for an easy cake that is definitely for fall, this spice cake with maple frosting is delicious. You can use a spice cake mix (Duncan Hines has a good one.) that you add sour cream and oil. It is a very moist cake, and the maple frosting is the best topping.

#### Spice Cake with Maple Sour Cream Frosting

1 box spice cake mix  
1 C. water  
½ C. sour cream  
1/3 C. oil  
3 large eggs  
¼ t. maple extract  
Frosting  
¾ C. unsalted butter, softened  
6¼ C. powdered sugar  
½ C. plus 2 T. sour cream divided  
½ t. maple extract  
1/8 t. salt  
1/8 t. cinnamon

Preheat oven to 350. Spray a 9 x 13 pan with baking spray with flour. Line pan with a double layer of parchment paper, letting ends extend over edges of pan. In a large bowl, beat cake mix, water, sour cream, oil eggs, and maple extract with a mixer at low speed until combined, about 1 minute. Scrape sides of bowl. Increase mixer speed to medium, and beat for 2 minutes. Pour batter into prepared pan. Tap pan on counter twice to release air bubbles. Bake until a wooden pick inserted in center comes out clean, about 25 minutes. Let cool completely on a wire rack.

Frosting: In a large bowl, beat butter with a mixer at medium speed until creamy. Gradually add powdered sugar, ½ cup sour cream, maple extract, salt and cinnamon, beating until smooth. Add remaining 2 T. sour cream, if needed, to thin frosting. Use immediately. Spread frosting onto cake. Garnish with cinnamon if desired.

Senior night for both volleyball and football finish the home games for both sports this year. They have some regular season games to finish, and then the series of state tournament games start. Here is hoping that we get to play longer than just the first game. Good luck to both teams. Craft fairs have started, and I got to go to my first one last weekend. I don't need anything, but I did get

some gifts out of the way. I think the one I attended had many beautiful homemade items. I have a crafter friend who taught me to look for the "China" items. There are a couple more I would like to attend. I love fall for the craft fairs. I also have started collecting my Halloween candy for the big night. It seems as if October is racing by. I had company for a week and celebrated my birthday. It was great, and I got a restaurant tour of three counties. Thanks for all the cards and Facebook wishes. I said to someone, another year older and deeper in debt; I realized they were too young to remember Tennessee Ernie Ford!! We continue to look for some recipes that feature some of the last vegetables from the garden, pork, and peaches, pumpkin, and apples. If you have any recipes you would like to share, send them our way. You can contact us in person, by mail at From Lena's Kitchens, *Shopper's Guide* at 213 S. Center St. or email us at scoopshopper@rvpublishing.com.

# Mickenzie Bass named Commended Student

COURTESY PHOTO The Scoop Today

**The Illinois State Scholar program is awarded to high school seniors based on ACT or SAT test scores and the sixth semester class, class size and Grade Point Average (GPA). This prestigious award is only given to approximately 10% of all Illinois high school graduates. Congratulations to Mickenzie Bass for earning this honor.**

Mickenzie Bass has been named a Commended Student in the 2020 National Merit Scholarship Program. Commended Students are placed among the top 50,000 scorers of more than 1.5 million students who entered to 2020 competition by taking the 2018 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT).

"Those being named Commended Students have demonstrated outstanding potential for academic success," commented a spokesperson for NMSC. "These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuit of academic success."
