**THURSDAY, APRIL 25, 2024**

## Congratulations to **Ginny Meyer**

### Gambino Realtors

Ginny Meyer had another outstanding year in 2023, selling over \$6,522,650 in homes, condos, farmettes and farmland! That is 30 transactions! THANK YOU for all of your support and referrals! How much is your property worth? My market analysis will give you an indication of your property value. There is no cost or obligation.

**PUT GINNY TO WORK FOR YOU!**

Proud supporter of 4-H Auctions and local pantries. Ginny has shared a portion of the commissions from her loyal real estate clients in their honor to purchase 7 steers, 9 hogs, and 1 lamb at the 2023 4-H Auction. Tom Eickman of Eickman's Processing estimated the donation fed 18,050 meals to guests of local food banks and supporting organizations. WOW! A special thank you to the talented, hard-working and dedicated 4-Hers who made the sacrifices to raise such beautiful animals. Together we made a difference.

## SUDOKU

### Fun by the Numbers

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test! **Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
